Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book "Advice to Stammerers" and reference sent on request. Address The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS-1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

KENTUCKY.

CAPITAL, FRANKFORT.

Population of State, 2,320,298.

(U. S. Census Bureau, 1906.)

Number of Physicians, 3,564.

Kentucky was settled by Daniel Boone in 1769, organized as a territory in 1790 and admitted as a state June 1, 1792. The total land surface is approximately 40,000 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 46.5; 1900, 53.7. It extends from 36 degrees 30 minutes to 39 degrees 6 minutes north latitude, and from 82 degrees 6 minutes to 89 degrees 44 minutes west longitude, and is bounded on the north by Ohio, Indiana and Illinois, on the west by Missouri, on the south by Tennessee, and on the east by Virginia and West Virginia. It has a river boundary of 813 miles, its northern border being washed by the Ohio, its eastern by the Big Sandy or Chattaroi and its western by the Mississippi; nearly all the other rivers which drain the state are affluents of the Ohio. The climate is mild and marked by no unhealthy extremes, the mean annual temperature being 55 degrees F.; that of the summer 73.96 degrees and of winter 38 degrees. The average annual rainfall along the Ohio river is about 48 inches, and in the southern extremity, 60 inches.

The following table shows increase in population since 1830:

1830.....	687,917	1870.....	1,321,011
1840.....	779,828	1880.....	1,648,690
1850.....	982,405	1890.....	1,858,635
1860.....	1,155,684	1900.....	2,147,174

DR. BOARD'S Sanatorium

is a quiet homelike institution for the treatment of mental and nervous diseases, drug and liquor habits. The institution is located on Sixth Street, near Magnolia, just opposite Central Park. The grounds are shady and attractive. A limited number of patients are taken and given the individual attention of the Superintendent, who has devoted some years to this class of work. Mild nervous cases can come to the institution for treatment and board outside.

We indulge in no non-ethical advertising and make no false claims; we depend for our support chiefly upon the medical profession, especially of Kentucky, Indiana and Tennessee. The attending physician is cordially invited to visit the patient and assist in his treatment.

Terms All charges are payable weekly or monthly in advance without exception. Prices range from \$20.00 to \$35.00 per week. Special rates to physicians, ministers and their families, and to chronic cases. Patients boarding outside or living in the city charged office fees, varying with treatment given.

HOW REACHED: By carriage in twenty minutes from any depot in the city; by Sixth or Fourth Street car.

For Further Information Apply to
1412 Sixth Street,

DR. MILTON BOARD, Superintendent.
Louisville, Ky.

THE MEDICAL LAW OF KENTUCKY.

(As Amended in 1904.)

Act of 1904.

Section 1. A board to be known as the State Board of Health is hereby established. It shall consist of eight members, all of whom shall be legally qualified, registered practitioners under this act, seven of whom shall be appointed by the Governor by and with the advice and consent of the Senate, and the eighth member, who shall be the secretary and executive officer, shall be elected by the board, and by virtue of his office of secretary shall be a member of the board. One member of the board shall be a homeopathic, one an eclectic and one an osteopathic physician, and other appointed members shall be regular, or allopathic physicians, all to be appointed by the Governor from lists of three names for each vacancy, furnished respectively by the State Society or Association of such schools or systems of practice as are entitled to a member, and the successors of such members shall be appointed in the same manner. If the board shall elect one of its members secretary, as it may do, the Governor shall appoint another member to complete the full number of the board. The president and secretary shall have authority to administer oaths for the purposes of this act, and the members of the board shall, before entering upon the discharge of their duties, take the oath prescribed by the Constitution for State officers.

Act of 1893.

Sec. 2. It shall be the duty of the county clerk of each county to purchase a book of suitable size, to be known as the "Medical Register" of the county, and to set apart one full page for the registration of each physician; and when any physician shall die or remove from the county, he shall make a note of the same at the bottom of the page; and said clerk shall, on the first day of January in each year, transmit to the office of the State Board of Health a duly certified list of the physicians of said county registered under this law, together with such other information as is hereinafter required, and perform such other duties as are required by this law; and such clerk shall receive the sum of fifty cents for each physician so registered, which shall be his full compensation for all the duties required under this law.

Act of 1893.

Sec. 3. It shall be unlawful for any person to practice medicine in any of its branches, within the limits of this State, who has not exhibited and registered in the county clerk's office of the county in which he resides his authority for so practicing medicine as herein prescribed, together with his age, address, place of birth, and the school or system of medicine to which he proposes to belong; and the person so registered shall subscribe and verify by oath, before such clerk, an affidavit containing such facts, which, if willfully false, shall subject the affiant to conviction and punishment for perjury.

Act of 1904.

Sec. 4. Authority to practice medicine under this act shall be a certificate from the State Board of Health, registered in the county in which the holder resides; and said board shall issue a certificate to any reputable physician who desires to practice medicine in this State, who has passed a satisfactory examination before it, in the branches of medicine as taught in reputable medical colleges; and said board shall, upon application, admit to examination any person of good moral character, who may possess any of the following qualifications:

1st. A diploma from a reputable medical college, legally chartered under the laws of this State.

2d. A diploma from a reputable and legally chartered medical college of some other State in this Union.

3d. Satisfactory evidence from the person claiming the same that such person was reputably and honorably engaged in the practice of medicine in this State prior to February 23, 1884.

Applicants may present their credentials by mail or proxy and shall receive due notice of the place and date of examination. Certificates shall be signed by the president and secretary, and attested by the seal of the board, and the fee for each examination, including the certificate, shall not exceed the sum of ten dollars. The members of the board shall be entitled to receive ten dollars per day and their necessary traveling expenses for each day devoted to such examinations, to be paid from the fees provided herein, and the board shall have authority to provide for such assistants as it may deem necessary and pay for the same from the fund arising from such fees.

Act of 1904.

Sec. 5. Examinations shall be held at least semi-annually at Frankfort, Louisville, Lexington, or other centrally located places, and on such dates as the board may deem will best suit the convenience of applicants. The questions for all examinations in the branches common to all schools or systems of practice shall be pre-

pared by a committee of the board, to consist of five members, one of which shall be a homeopath, one an eclectic, and one an osteopath, and said committee shall conduct all examinations and grade the same, and when any applicant has made the average prescribed by law, and is so graded, the Board of Health shall admit such applicant to the practice or his or her profession in this State. All examinations shall be conducted in writing, and in such manner that the result shall be entirely fair and impartial, the applicants being known by numbers so that no member of the board shall be able to identify the papers of any applicant until they have been graded and the case passed upon; and all questions and answers, with the grade attached, shall be preserved for one year. All applicants examined at any one time shall have the same questions asked them in anatomy, physiology, obstetrics, and the other branches common to all systems of practice, and shall be required to make an average grade of 70, with a minimum of 60 in any one branch; but all examinations, involving methods or principles of treatment shall be made and graded by that member of the board who represents, or most nearly represents, the school or system of practice to which the applicant belongs, or the board may, in its discretion, omit the examination in such branches. No member of the board shall be a stockholder or member of the faculty or board of trustees of any medical college.

Act of 1904.

Sec. 6. Any person engaged in the practice of osteopathy in this State prior to February 1, 1904, who holds a diploma from a reputable osteopathic college, having a course of not less than four terms of five months each, legally chartered under the laws of any State in this Union, as determined by the osteopathic member of the board, and who makes application to the State Board of Health within ninety days after the passage of this act, accompanied by the fee hereinbefore provided, shall receive a certificate from the board without an examination, which, when registered in the office of the county clerk of the county of his residence, as required of other certificates issued by the board, shall authorize the holder thereof to practice osteopathy in this Commonwealth, but it shall not permit him to administer drugs, nor to perform surgical operations with the knife. The words, "practice of medicine," in this act, shall be held to include the practice of osteopathy. But no person shall be permitted to practice osteopathy in this Commonwealth without an osteopathic diploma and certificate as provided in this section.

Act of 1904.

Sec. 7. Any other person applying for authority to treat the sick or injured, or in any way discharge the duties usually performed by physicians, whether by medical, surgical or mechanical means, shall apply to the State Board of Health, who shall examine them as to their competency in such manner as they may deem fair and best, but such examination shall always include anatomy, physiology and pathology, and the term "practice of medicine," as used in this act, shall be construed to be the treatment of any human ailment or infirmity by any method; but this shall not include trained or other nurses, or persons selling proprietary or patent medicines, when not traveling as a troupe or troupes, composed of two or more persons.

Act of 1904.

Sec. 8. That any itinerant medical company of two or more persons traveling as a troupe or company as vendors of any drug, nostrum or instrument of any kind, intended for the treatment of any disease or injury, or who shall, by any writing or printing, profess to the public to treat disease or deformity by the use of any drug, nostrum, or instrument, shall pay to the board a license of \$100 per month, which shall be at once converted into the State Treasury. The board shall issue a license to reputable and worthy applicants under this section upon payment of the fee each month, but may for sufficient cause refuse such license. Any such itinerant vendor traveling as a company or troupe, with two or more persons as members or in its employ, who shall treat or profess to treat or cure disease or injuries by the use of any drug, nostrum, or instrument without license to do so, or shall sell the same for such purpose, in violation of this section, shall, upon conviction, each and every person so engaged, be fined fifty dollars for the first offense, and upon each subsequent conviction shall be fined one hundred dollars.

Act of 1893.

Sec. 9. Nothing in this law shall be construed as to authorize any itinerant doctor to register or to practice medicine in any county in this State.

Act of 1893.

Sec. 10. Nothing in this law shall be so construed as to discriminate against any particular school or system of medicine, or to prohibit women from practicing midwifery, or to prohibit gratuitous services in case of emergency; nor shall this law apply to commissioned surgeons of the United States Army, Navy or Marine Hospital Service, or to legally qualified physicians of another State, called to see a particular case or family, but who does not open an office or appoint any place in this State where he or she may meet patients or receive calls.

Act of 1904.

Sec. 11. The State Board of Health may refuse to issue the certificate provided for in this act for any of the following causes:

- 1st. The presentation to the board of any license, certificate or diploma which was illegally or fraudulently obtained, or the practice of fraud or deception in passing the examination.
- 2d. The commission of a criminal abortion, or conviction of a felony involving moral turpitude.
- 3d. Chronic or persistent inebriety, or addiction to a drug habit, to an extent which disqualifies the applicant with safety to the people.
- 4th. Or other grossly unprofessional or dishonorable conduct of a character likely to deceive or defraud the public.

The board may suspend or revoke a certificate for any of the causes for which it may refuse to grant a license under the provisions of this act. In all proceedings for suspension or revocation under this act the holder of the certificate shall be furnished with a copy of the complaint, and shall be given at least thirty days thereafter to prepare for a hearing; and he shall be heard in person or by counsel, or both, as he may elect, and in such hearing and in all matters arising in the course of their duties, the president and secretary shall have authority to administer oaths; and in such hearing the board may take oral or written proof for and against the complaint, as it may deem will best present the facts. In all cases of refusal, suspension, or revocation, the applicant or holder may appeal to the Governor, who may affirm or overrule the decision of the board. Upon the suspension or revocation of any certificate, it shall be the duty of the board to give official notice of such action, under seal, to the county clerk of the county in which the holder is registered, and such name shall be marked as suspended for the period indicated, or stricken from the register, in accordance with such notice, and if such holder shall continue to practice he shall thereupon be subject to the penalties provided in the law to which this is an amendment.

Act of 1904.

Sec. 12. This act shall take effect and be in force in accordance with the provisions of the Constitution, but it is expressly provided that all certificates issued by the board under the provisions of the law to which this is an amendment, are hereby confirmed and continued in force, and all students who are matriculated in any medical or osteopathic college in this Commonwealth, on or before February 1, 1904, and shall have graduated prior to September 1, 1907, and make application to the board prior to January 1, 1908, shall receive certificates without examination. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

Act of 1893.

Sec. 13. It shall be the duty of the State and local boards of health to bring to the attention of the courts any violations of the provisions of this law within their respective jurisdictions.

Act of 1898.

Sec. 14. Any person living in this State, or any person coming into this State, who shall practice medicine, or attempt to practice medicine in any of its branches, or who shall treat or attempt to treat any sick or afflicted person by any system or method whatsoever, for reward or compensation, without first complying with the provisions of this law, shall, upon conviction thereof, be fined fifty dollars and upon each and every subsequent conviction shall be fined one hundred dollars and imprisoned thirty days, or either or both, in the discretion of the court or jury trying the case; and in no case where any provision of this law has been violated shall the person so violating be entitled to receive any compensation for the services rendered. To open an office for such purpose, or to announce to the public in any way a readiness to treat the sick or afflicted shall be deemed to engage in the practice of medicine within the meaning of this act.

WE FURNISH

LISTS OF NAMES

UP-TO-DATE ANY BUSINESS---ANY LOCALITY ACCURATE

We can also print your envelopes and advertising matter, address your envelopes or wrappers, fold, enclose and mail your circulars.

We publish over 250 City, County, State and National Directories; therefore have unexcelled facilities for furnishing lists or addressing envelopes to any trades and professions that are not covered by our National Trade Directories.

AS DIRECTORY PUBLISHERS

we have available the manuscript matter that we intend utilizing in directories being compiled and therefore can **ADDRESS YOUR ENVELOPES FROM UP-TO-DATE INFORMATION BEFORE IT APPEARS IN TYPE** and consequently **BEFORE IT IS IN THE HANDS OF FIRMS WHOSE BUSINESS IS SOLELY FURNISHING LISTS OF NAMES**. It costs us more to compile lists from our advance manuscript Directory information, but for every extra dollar you pay for lists in advance of publication **YOU SAVE TEN DOLLARS IN POSTAGE**.

Price lists and prospectus of any of our National Publications and Trade Lists sent on application.

UNIVERSITY

OF

LOUISVILLE

MEDICAL DEPARTMENT

The next session begins November 1910, and continues thirty-two weeks. Spacious buildings. Modern Equipment. Excellent laboratory facilities. Curriculum conforms to requirements of the Association of American Medical Colleges and State Boards of Health. The University Hospital is located on the college grounds and forms an integral part of the University, the charity wards of which afford abundant clinical material for operative work in general, gynecologic, genito-urinary and ophthalmic surgery, and bedside instruction in general medicine, pediatrics and obstetrics.

For Catalogue or other information, address

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

THE RALPH SANITARIUM

A quiet, well equipped and well handled Home Sanitarium for the treatment of **DRUG** and **LIQUOR** habits. Personal study and attention given each case. A new and very successful treatment removing the desire and necessity for the Drug or Liquor within a few days and restoring the patient to a normal condition in a few weeks' time. Good nursing, every comfort, scientific treatment, no suffering and no cure. Special rates to physicians. For literature and full details of treatment address **THE RALPH SANITARIUM, 529 Highland Ave., Kansas City, Mo.**

(1910) POLK'S MEDICAL REGISTER

Louisiana

LOUISIANA.

CAPITAL, BATON ROUGE.

Population of State, 1,539,449.

(U S. Census Bureau, 1906.)

Number of Physicians, 1,823.

Louisiana named in honor of Louis XIV., according to the U. S. census of 1900, was 1,381,625, as against 1,118,587 in 1890, representing an increase since 1890 of 263,038, or 23.5 per cent. Louisiana may be found every altitude, until we are uplands of varying character. In north Louisiana the hills attain to the height of 500 feet and from this height north latitude and the meridians of 89 degrees and 94 degrees west longitude. The Mississippi river splits it in twain, with far the larger portion, about 37,000 square miles, upon its western banks. Exclusive of lakes and bays, it has 45,440 square miles of territory, of which about 20,000 are of alluvial origin and the rest reach the sky-skirting prairies of the southwest, where the general topography is only 30 to 50 feet above the sea level. The proximity of the state to the Gulf of Mexico secures a prevalence of southern winds, cool and moisture laden, which mitigate the extremes of weather experienced by states to the north. Though the summers are prolonged, the heat is never oppressive, the thermometer rarely reaching 95 degrees. The winters are usually mild, with an average temperature of about 53 degrees in the southern and about 45 degrees in the northern part of the state. The average yearly rainfall at New Orleans is about 70 inches, decreasing in quantity as one goes northward, with 45 inches as an average in the extreme northern portion. The heaviest showers fall in summer during the growing season. Winter comes next in its quantity of rainfall, while the spring and autumn are the dry seasons with only occasional showers.

For list of Medical Colleges, see page 152.

Louisiana

THE MEDICAL LAW OF LOUISIANA.

ACT 49 OF 1894 AS AMENDED BY ACT 244 OF 1908.

[No. 49.]

An Act to regulate the practice of medicine, surgery and midwifery; to create State Boards of Medical Examiners, and to regulate the fees and emoluments thereof; to prevent the practice of medicine, surgery and midwifery by unauthorized persons; and to provide for the trial and punishment of violators of the provisions of this act by fine or imprisonment, or both; and to repeal all laws or parts of laws in conflict or inconsistent with this act.

Section 1. Be it enacted by the General Assembly of the State of Louisiana, That from and after the promulgation of this act, no person excepting those already engaged under existing laws in the practice of medicine, surgery, midwifery and dentists shall practice medicine in any of its departments within the State of Louisiana, unless such person shall possess all the qualifications required by this act.

AS AMENDED BY ACT 244 OF 1908.

Sec. 2. Be it enacted by the General Assembly of the State of Louisiana, That Section 2 of an Act entitled "An Act to regulate the practice of medicine, surgery and midwifery, to create State Boards of Medical Examiners, and to regulate the fees and emoluments thereof, to prevent the practice of medicine, surgery and midwifery by unauthorized persons; and to provide for the trial and punishment of violators of the provisions of this Act by fine and imprisonment, or both; and to repeal all laws or parts of laws in conflict or inconsistent with this Act," being Act No. 49 of the General Assembly of the State of Louisiana, for the year 1894, approved July 4, 1894, be amended and re-enacted so as to read as follows: That after the promulgation of this Act, any person before entering upon the practice of medicine in any of its branches, dentists and osteopaths excepted, shall present to the Board of Medical Examiners, as hereinafter constituted, a diploma from a college in good standing, of any sect teaching medicine or the healing art, and shall stand a satisfactory examination before the Board upon the following branches, to-wit: Anatomy, physiology, chemistry, obstetrics, gynecology, physical diagnosis, surgery, pathology, therapeutics and hygiene, provided that any person not using internal medication in his or her practice shall be exempt from examination in therapeutics. The person shall also satisfy the Board that he or she is twenty-one years of age, of good moral character, and possesses at least a fair primary education. If said diploma and examination are satisfactory to the Board, they shall issue to such person a certificate in accordance with the facts. Said Board, however, is authorized, at its discretion, to waive said examination in favor of any applicant who shall present to the Board a satisfactory certificate of examination from a Board of Medical Examiners of another State; provided, however, that said Board created under this Act shall have found that said Board of Medical Examiners of another State has a standard of requirements satisfactory to the Board created under this Act; the said Board created under this Act to be the sole judge as to the sufficiency of the standard required and of the certificate issued by said Board of another State.

Sec. 3. Be it further enacted, etc., That the medical examiners herein provided for shall consist of two boards—one of physicians and surgeons recommended by the Louisiana State Medical Society, and one of physicians and surgeons recommended by the Hahneman State Medical Society. There shall be five members of each board, any three of whom shall constitute a quorum for the purpose of holding an examination and granting a certificate. All the members of both boards shall be graduated physicians and practitioners.

The Board composed of physicians and surgeons recommended by the Louisiana State Medical Society shall examine all applicants who propose to practice any other than the homeopathic system of medicine, and the board composed of physicians recommended by the Hahneman State Medical Society shall examine all applicants who propose to practice the homeopathic system of medicine. The certificate of either board shall be conclusive proof of the efficiency of the applicant examined by said board. All examinations held by the boards and the answers of the applicants shall be in writing, and shall be kept as records. All members of both boards shall be appointed by the governor of the State from a list of name presented by the Louisiana State Medical Society and the Hahneman State Medical Society, and the governor shall have the right to remove any or all of the members thereof for inefficiency or neglect of duty, and to fill all vacancies occurring in these boards from names recommended by their respective societies.

Sec. 4. Be it further enacted, etc., That the first Boards of Medical Examiners appointed under this act shall meet and organize within thirty days from the date of their appointment, and shall name one member to serve for the term of two years, one member for the term of three years, one member for the term of four years, one member for the term of five years, and one member for the term of six years; deciding by lot or agreement among themselves as to their respective terms. At the expiration of the above terms each member shall be appointed by the governor for the term of six years, from names recommended by their respective State Medical Societies.

Sec. 5. Be it further enacted, etc., That every person practicing midwifery in this State, on the passage of this act, shall, within ninety days thereafter, register with the secretary of the board of health, in the parish of Orleans, and with the clerk of the district court in the other parishes of the State, in the manner provided for physicians, giving her age and length of time, and the place or places during, and at which, she has been engaged in said practice, and make affidavit thereto, and shall pay to the secretary of the board of health in the parish of Orleans, or to the clerk of the district court in the other parishes of the State, as the case may be, a fee of \$1. Said secretary of the board of health of the parish of Orleans, or clerk of the district court, shall issue a certificate to the one so registering in accordance with the facts herein set forth, upon a blank form to be furnished by the State

GRADUATION PARTICULARS are verified by the **OFFICIAL RECORDS**

799

board of health, which shall entitle the holder to practice midwifery in the parish in which said certificate is issued. The clerks of the district courts of the several parishes of the State, Orleans excepted, shall annually on the first Monday in January make returns to the secretary of the State board of health in the parish of Orleans of all such certificates on record in his office.

All persons beginning the practice of midwifery in this State after the passage of this act shall appear before one of the State Boards of Examiners and submit to such examination in midwifery as the board shall require, and if such examination is satisfactory, the said board shall, upon receipt of \$5, issue a certificate the same as provided for midwives in practice at the time of the passage of this act, which certificate shall be registered as in the manner provided for midwives in practice at the time of the passage of this act, but for such registration with the secretary of the State board of health, or with the clerk of a district court, the holder of said certificate shall be required to pay a fee of 50 cents only. This section does not apply to the so-called midwife of rural districts and plantation practice, who, in the sense of this act, are not considered as practicing midwifery as a profession.

AS AMENDED BY ACT 244 OF 1908.

Sec. 6. Be it further enacted, etc., "That Section 6 of said Act No. 49 of the session of 1894 be amended so as to read as follows: "That the Boards of Medical Examiners are authorized to elect such officers and frame and adopt such by-laws as may be necessary for the efficient operation of the boards.

They may provide that the examinations required in Section 5 of said act, as a prerequisite to the practice of midwifery may be conducted by one member of said Boards of Examiners, and the certificate of satisfactory examination issued by such member shall entitle the holder to be authorized by the president and secretary of said boards to practice midwifery in this State; and may also provide that any member of said board may make any affidavit necessary to the issuance of any injunction or other legal process authorized under this act. Each board shall have its seal and the president and secretary of the respective boards shall be empowered to administer oaths in the taking of testimony upon any matter appertaining to the duties of said boards.

Sec. 7. Be it further enacted, etc., That the regular meetings of the boards shall be held at least twice in each year in the city of New Orleans, but the president of the board may call special meeting elsewhere in the State whenever the boards may deem it necessary or expedient; the call to be issued by the secretary and signed by the president.

Sec. 8. Be it further enacted, etc., That to prevent delay and inconvenience, one member of a Board of Medical Examiners may grant a permit after a satisfactory examination to any applicant, and shall report thereon to the boards at the next regular meeting; such temporary permit shall not continue in force longer than the next regular meeting of the boards, but such temporary permit shall in no case be granted within six months after the applicant has been refused a permit by the boards.

Sec. 9. Be it further enacted, etc., That the certificates issued in accordance with Section 2 of this act shall be recorded in the office of the clerk of the district court of the parish in which he or she resides, who shall make this recordation in a book to be kept for that purpose only, and also certify to such recordation by an endorsement of the original certificate, which the holder thereof shall transmit or deliver to the State board of health; and the clerk recording the same shall be entitled to a fee of one dollar. Such certificate transmitted or delivered to the state board of health shall entitle the holder to be placed on the list of registered physicians and surgeons, the publication of which is hereinafter provided for. Said board of health shall preserve such certificates, and a copy thereof, signed by its secretary, shall be received as evidence in the courts of this State, and for such copy a fee of fifty cents shall be paid. Until such recordation is made, the holder of such certificate shall not exercise any of the rights or privileges therein conferred to practice medicine.

Sec. 10. Be it further enacted, etc., That it shall be the duty of the State board of health to publish annually in the official journal of the State (and if there is no such journal, in one of the daily newspapers published in the city of New Orleans) a list of the registered physicians and surgeons in the State and their residences, and such published list shall be received in evidence by the courts of this State as proof that the physicians and surgeons therein named are duly registered as required by law, and the said State board of health is hereby required to strike from said list the name of any person whose certificate may have been revoked by the State Boards of Medical Examiners, as herein provided for.

Sec. 11. Be it further enacted, etc., That the members of said Boards of Medical Examiners shall receive, as a compensation for their services, ten (\$10) dollars per day during their session, and, in addition thereto, their hotel and traveling expenses by the most direct route to and from their respective places of residence, to be paid out of any moneys in the treasury of the boards upon the certificate of the president and secretary. The boards are empowered to demand a fee of one (\$1) dollar for the issuing of each certificate. The fee for examination shall be ten (\$10) dollars. If the applicant fails to pass a satisfactory examination, and no certificate is issued to him or her, five (\$5) dollars, to be paid into the treasury of the boards, only of his or her fee is to be retained. The fee for certificate of temporary permit shall be five (\$5) dollars, to be paid into the treasury of the boards, said fee to be accredited to the applicant when he applies to the boards for a permanent permit.

Sec. 12. Be it further enacted, etc., That any itinerant vendor of any drug, nostrum, ointment or application of any kind intended for the treatment of disease or injury, or who may by writing, print or other methods, profess to cure or treat disease or deformity by any drug, nostrum, manipulation, or other expedient in this State, shall, if found guilty, be fined in any sum not less than twenty (\$20) dollars and not exceeding one hundred (\$100) dollars for each offense, to be recovered in

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

an action of debt, before any court of competent jurisdiction, or shall be imprisoned for a term of not less than ten (10) days or more than thirty (30) days, or be both fined and imprisoned.

Sec. 13. Be it further enacted, etc., That Section 13 of said Act 49 of the session of 1894 be amended and re-enacted so as to read as follows: That any person shall be regarded as practicing medicine within the meaning of this act who shall append the letters M. D. or M. B. to his or her name, or shall examine, prescribe, direct, or apply, or shall profess or publicly advertise that he prescribes, directs or applies for the alleged purpose of treating, curing or relieving any bodily or mental disease, infirmity, deformity, defect, ailment or injury in any person other than himself, any drug, instrument, or force, whether physical or psychic, or of whatever nature, or any other agency or means; whether such drug, instrument, force or other agency or means is to be applied or used by the patient or by any other person; and whether such prescribing, directing, or applying, be for compensation of any kind or be gratuitous; and any officer or agent, or employe or member of any corporation, association or partnership which does or professes or publicly advertises that it does examine for, cure, treat, or relieve such diseases, ailments, deformities, defects, injuries or infirmities, in any of the modes mentioned in this section shall be regarded as practicing medicine under the provision of this act.

This provision shall not apply to farmers or planters when treating without compensation their families, employes, or tenants exclusively, or to attendants and plantation midwives; or to opticians fitting glasses, or testing eyes in their own establishments, or to water-cure establishments. Nothing in this act, however, shall be construed to prohibit the practice of the religious tenets of any church whatsoever.

AS AMENDED BY ACT 244 OF 1908.

Sec. 14. Be it further enacted, That Section 14 of said Act 49 of the session of 1894 be amended and re-enacted so as to read as follows: That any person practicing medicine or midwifery in any of its departments in this State without first having obtained the certificate herein provided for or contrary to the provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than \$50, or more than \$100, or by imprisonment in the parish jail for a period of not less than ten days, or more than ninety days, or by both fine and imprisonment for each offense. It shall be the duty of the respective district attorneys to prosecute violations of the provisions of this act, before any court of competent jurisdiction. The said fine shall be divided equally between the public school fund of the parish in which said offense may have been prosecuted, and the State Board of Medical Examiners.

Said Board of Medical Examiners through their proper officers may cause to issue in any competent court a writ of injunction forbidding and enjoining said person from further practicing medicine or midwifery in any of its departments in this State, until such person shall have first obtained the certificate herein provided for and under the provisions of this act; and said injunction shall not be subject to being released upon bond.

In the same suit in which said injunction may be applied for, the said boards, through their respective presidents aforesaid, may sue for and demand of the defendant a penalty not to exceed one hundred dollars, and in addition thereto attorney's fees not to exceed fifty dollars, besides the costs of courts; judgment for which penalty, attorney's fees, and costs may be rendered in the same judgment in which the injunction may be made absolute.

That the trial of said proceeding shall be summary, and be tried by the judge without intervention of a jury.

AS AMENDED BY ACT 244 OF 1908.

Sec. 15. Be it further enacted, etc., That Section 15 of Act 49 of the Session of 1894 be amended and re-enacted so as to read as follows:

That if any person licensed under this act shall be convicted of a crime or of gross unprofessional conduct, the said boards shall have the power to institute proceedings before any competent court for the purpose of having the permit or license granted by them to such person revoked; and if it shall be shown that the physician or midwife so licensed has been convicted of a crime or of gross unprofessional conduct, the said court shall revoke such license or permit.

Sec. 16. Be it further enacted, etc., That any practitioner of medicine, in any of its departments, failing to comply with the requirements of this act, shall not be exempt from jury or military duty, nor be permitted to collect any fees or charges for services rendered, nor be allowed to testify as a medical or surgical expert in any court in this State, nor execute any certificates as a physician or surgeon, nor to hold any medical office, nor to be recognized by the State or parish or municipal corporation as a physician or surgeon; nor shall he be entitled to enjoy any of the privileges, rights or exemptions granted to physicians or surgeons by the laws of this State.

Sec. 17. Be it further enacted, etc., That this act shall not apply to any commissioned surgeon of the United States army, navy, or marine hospital service; to a registered physician of this State, nor to any physician actually practicing in this State before the passage of this act and in accordance with then existing laws.

Sec. 18. Be it further enacted, etc., That the said boards shall report to the prosecuting officer of the State of Louisiana all persons violating the provisions of this act. They shall report, annually, to the governor of this State upon the condition of the practice of medicine in the State, its recommendations for the improvement of the practice, as well as a record of the proceedings of the board during the year, together with the names of all physicians or surgeons to whom said board shall have issued certificates during the year, in accordance with the provisions of Section 2 of this act.

Louisiana

OF NORTH AMERICA (1910)

Louisiana

801

AS AMENDED BY ACT 244 OF 1908.

Sec. 19. Be it further enacted, etc., That Section 19 of the said Act 49 of the Session of 1894 be amended and re-enacted so as to read as follows: That it shall not be lawful for the said Boards of Medical Examiners or any member thereof, in any manner whatever or for any purpose, to charge or obligate the State of Louisiana for the payment of any money except as provided for in Act 44 of the Acts of 1882, relative to the publication of registered physicians, etc., and the said boards shall look alone to the revenue derived from the operation of this act for the compensation designated in Section 11 of this act. And if said revenue is not sufficient to pay each member in full, as per Section 11, then the amount thus received shall be pro rated among the members. But if at the end of the year there should be a greater revenue derived than sufficient to defray the expenses of the board at all their sessions for the year, as provided in Section 7, such surplus may be used by said boards in such other expenditures as they may deem necessary. The said Boards of Medical Examiners shall have the right to employ counsel to carry out the provisions of this act, and that the fees of such counsel and the cost for all proceedings taken under the provisions of this act, except the criminal prosecutions, shall be payable exclusively out of the revenues, including penalties under the provisions of this act.

AS AMENDED BY ACT 244 OF 1908.

Sec. 20. Be it further enacted, etc., That Section 20 of said act of the Session of 1894 be re-enacted so as to read as follows: That all laws and parts of laws contrary to and in conflict with the provisions of this Act be and the same are hereby repealed.

Amended Act Approved July 8, 1908.

J. Y. SANDERS,
Governor of the State of Louisiana.

LOUISIANA STATE BOARD OF MEDICAL EXAMINERS. RULES AND REGULATIONS.

On and after June 1st, 1909, the Louisiana State Board of Medical Examiners will grant a license, without examination, to applicants who will comply with the following conditions:

1. They must furnish the Board through the Secretary with the application form properly filled out, together with a recent unmounted photograph and if found eligible.*

*(Application blanks can be obtained from the Secretary, Dr. F. A. Larue, 211 Camp Street, New Orleans.)

2. They must appear in person before the Board.

3. They must present a diploma from a college rated Class A by this Board (i. e., medical colleges rated between 70 and 100 per cent by the Council on medical education of the American Medical Association).

4. They must present their permanent certificate of examination by and from a State Board of Medical Examiners recognized by the Louisiana State Board of Medical Examiners, and have practiced medicine for at least one year since they obtained said license.

5. They must present a sworn statement, either from the dean of college from which they graduated, or from the secretary of the parish or county society in which they reside, or from the clerk of court of the parish or county in which they reside, certifying to their moral and professional character and their personal description as to weight, height, complexion, color of eyes, color of hair, and any marks of identification, etc.

6. They must pay a fee of \$25.

N. B.—Physicians complying with the above regulations and who may enter the State between the regular meetings of the Board and desire to practice medicine in this State, may be permitted to do so by appearing before any one member of the Board, paying a fee of \$10, said fee to be deducted from the fee exacted by the Board for a permanent license.

Said temporary permit shall not be good longer than the beginning of the next regular meeting, at which time a permanent license will be issued, provided the applicant appears in person and pays the balance of the fee (\$15).

Applicants presenting a diploma from a medical college rated by this Board as Class A, or from a medical college rated between 50 and 70 per cent by the Council on medical education of the American Medical Association, i. e., Class B, or a diploma issued prior to October 1st, 1908, from colleges not included in either Class A or said Class B, but whose diplomas have been accepted, prior to said date, by the Board, must, in order to obtain a license to practice medicine in this State, comply with the following conditions:

Applicants must satisfy the Board that they are twenty-one years of age and possess at least a fair primary education.

1. They must furnish satisfactory proof of their identity and give satisfactory evidence of good moral character as per application blanks to be obtained from the Secretary, Dr. F. A. Larue, 211 Camp Street, New Orleans.

2808 LOCUST STREET, ST. LOUIS, MO.

addictions. Correspondence and Consultation Confidential.
DR. J. E. BLAINE, PHYSICIAN AND MANAGER
Home Treatment for Tobacco and Neurasthenia. (SEE PAGE 5.)

802 Louisiana (1910) POLK'S MEDICAL REGISTER Louisiana

2. They must present in person their diploma.
3. They must pay the examination fee (\$11).
4. They must pass a satisfactory examination; (75%).

TEMPORARY PERMITS.

N. B.—Physicians desiring to enter the practice of medicine between regular meetings, can obtain a temporary permit to practice in this State by sending our application form properly filled out to the Secretary of the Board, and if found eligible by appearing before any one member of the Board and by passing a satisfactory oral examination, paying a fee of \$5 and presenting his or her diploma. The temporary permit will only be good until the beginning of the next regular examination. The applicant will be credited with the \$5, provided he appears at the next regular examination.

Physicians receiving certificates from the State Board of Medical Examiners will please note that in order to be legally qualified to practice in Louisiana, they must:

1. Record their certificates with the clerks of the district court in the parishes where they reside (fee \$1), and

2. Send these certificates to the Secretary of the State Board of Health to be registered and placed on file. There is no charge for registration, but if a certified copy of the certificate is desired, it will be furnished for 50 cents.

The Board also adopted the following rules: "That any person who begins to practice medicine in this State without being duly legally authorized so to do, will not be granted a temporary permit subsequent to the first regular meeting of the Board after his beginning such illegal practice."

Applicants holding a diploma from a foreign reputable medical college and desiring to practice medicine in Louisiana will have to:—

1. Present in person a diploma of a standing satisfactory to the Board issued by an Institute of Medical Education.

2. Proof satisfactory to the Board of the genuineness of the diploma presented.

3. Evidence satisfactory to the Board of the good moral character of the applicant.

4. Evidence satisfactory to the Board of the identity of the applicant with the person named in the diploma, and in the certificate of good moral character.

5. If the applicant presents a permanent certificate of examination by and from a State Board of Medical Examiners, whose certificates are accepted by the Louisiana State Board, and complies with the other requirements named under 1, 2, 3, and 4, and that he has practiced medicine for at least one year since he obtained said permanent license, he may be permitted, at the discretion of the Board, to practice without being subjected to an examination by the State Board of Louisiana.

6. He must pay a fee of \$11. The fee where the examination is not held, as under No. 5, is \$25.

7. Temporary permit can be obtained on same basis as by applicants holding Class A or B diplomas.

LIST OF PHYSICIANS

C

THE NEW FENWICK SANITARIUM LTD.

Is a High Grade
Institution Exclusively
for the Treatment
... of ...

NERVOUS and
MILD MENTAL
CASES,
DRUG and
LIQUOR
ADDICTS.

SURGICAL AND OBSTETRICAL DEPARTMENTS FOR
SELECT CASES.

THIS institution is run on scientific principles, and is ethical in every sense of the word. It is unquestionably the largest and best equipped Sanitarium for the treatment of its specialty in America, having ninety-four bedrooms furnished with solid brass beds, with hot and cold water, and all floors carpeted. Rooms in suite with bath and sanitary closets. Ostermoor mattresses and other furniture in accordance—electric lighted, steam heated, telephone in each room with exchange in building, billiard and pool room, reading and writing rooms, music room, smokers' den, large hydrotherapy and electro-therapy departments, also complete and modern gymnasium with competent instructor, and is in short as thoroughly equipped as a modern first-class Sanitarium should be. Handle an average of seventy-five cases per month. Only ten miles from the Mexican Gulf, giving us the benefit of gulf breezes. Climate mild. Country healthy. Unusually good results obtained with these cases. Terms reasonable.

Write for booklet and last year's annual report.

DR. FRANK FENWICK YOUNG

FENWICK SANITARIUM,
ABBEVILLE, LA.

Alexandria—Cont'd.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

MAINE.

CAPITAL, AUGUSTA.

Population of State, 714,494.

(U. S. Census Bureau, 1906.)

Number of Physicians, 1,159.

Maine, the most northeastern state of the Union, is bounded on the south by the Atlantic ocean, on the north by New Brunswick and Quebec, on the west by New Hampshire and Quebec and on the east by New Brunswick. The total land surface is, approximately, 29,895 square miles. It extends from 43 degrees 5 minutes to 47 degrees 30 minutes north latitude and from 66 degrees 50 minutes to 71 degrees west longitude, its extreme length being 302 miles and width 285 miles. The sea coast, though in a straight line, contained within about $4\frac{1}{2}$ degrees of longitude, extends with all its bays, indentations and peninsulas over more than 3,000 miles and is without exception the most broken and irregular of any state in the Union bordering on the ocean. It has a general northeastern and southwestern trend conforming to the direction of the rock strata found throughout the state, is steep and rocky, and presents innumerable picturesque promontories, magnificent island scenery and valuable harbors. The surface of the state is generally hilly, which rises in the north and northwest into the summits of Mounts Katahdin, Bigelow and Abram, while the Green Mountains form a considerable barrier between it and Canada. The southern portion is diversified, very little broken and has a generally fertile soil. Maine is extremely well supplied with lakes, ponds and streams, the inland waters covering a total area of 3,200 square miles and the lakes alone 2,300 square miles or about one-fifteenth part of the state. The climate is healthful and the winters, although long and severe, are unmarked by injurious variations, while the summers are pleasant. The mean annual temperature at Portland is 43.00 degrees, that of the summer 63.73 degrees, and of the winter 21.69 degrees. These figures are the result of observations extending over a period of 37 years. The average rainfall is about 44.50 inches.

For list of Medical Colleges, see page 152.

MAINE STATE BOARD OF HEALTH.

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book, "Advice to Stammerers" and reference sent on request. Address The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS. 1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

BOWDOIN COLLEGE

Medical Department

The Ninety-first Annual Course of Lectures will begin October 22nd, 1910, and continue eight months.

Four Courses of Lectures are required of all who matriculate as first-course students.

The Courses are graded, and cover Lectures, Recitations, Laboratory Work and Clinical Instruction.

The Third and Fourth Year Classes receive their entire instruction at Portland, where excellent clinical facilities are afforded at the Maine General Hospital.

FACULTY

REV. WILLIAM DeWITT HYDE, D. D., LL. D., President.
ALFRED MITCHELL, M. D., LL. D., Dean, Professor of Internal Medicine.
FREDERIC HENRY GERRISH, M. D., LL. D., Professor of Surgery.
FRANKLIN CLEMENT ROBINSON, A. M., LL. D., Professor of Chemistry.
LUCILIUS ALONZO EMERY, LL. D., Professor of Medical Jurisprudence.
CHARLES DENNISON SMITH, A. M., M. D., Professor of Physiology.
ALBERT ROSCOE MOULTON, M. D., Professor of Mental Diseases.
WILLIS BRYANT MOULTON, A. M., M. D., Professor of Ophthalmology and Otolaryngology.
JOHN FRANKLIN THOMPSON, A. M., M. D., Professor of Diseases of Women.
ADDISON SANFORD THAYER, A. B., M. D., Professor of Diseases of Children.
FRANK NATHANIEL WHITTIER, A. M., M. D., Professor of Pathology and Bacteriology.
EDWARD JOSEPH McDONOUGH, A. B., M. D., Professor of Obstetrics.
CHARLES BRYANT WITHERLE, A. B., M. D., Professor of Neurology.
WALTER EATON TOBIE, M. D., Professor of Anatomy.
HENRY HERBERT BROCK, A. B., M. D., Assistant Professor of Clinical Surgery.
WILLIAM HERBERT BRADFORD, A. M., M. D., Assistant Professor of Surgery.
CHARLES HENRY HUNT, A. B., M. D., Lecturer on Materia Medica and Therapeutics.
ALFRED MITCHELL, JR., A. B., M. D., Instructor in Genito-Urinary Surgery.
GUSTAV ADOLF PUDOR, A. B., M. D., Instructor in Dermatology.
EDVILLE GERHARDT ABBOTT, A. M., M. D., Clinical Instructor in Orthopedic Surgery.

GILBERT MOLLESON ELLIOTT, A. M., M. D., Demonstrator of Anatomy.
RICHARD DRESSER SMALL, A. B., M. D., Instructor in Obstetrics.
HERBERT FRANCIS TWITCHELL, M. D., Instructor in Clinical Surgery.
ARTHUR SCOTT GILSON, M. D., Instructor in Clinical Surgery.
WILLIAM LOUIS COUSINS, M. D., Instructor in Clinical Surgery.
JAMES ALFRED SPALDING, A. M., M. D., Clinical Instructor in Ophthalmology and Otolaryngology.
GILMAN DAVIS, M. D., Instructor in the Diseases of the Nose and Throat.
JAMES EDWARD KEATING, A. B., M. D., Instructor in Internal Medicine.
W. BEAN MOULTON, A. B., M. D., Instructor in Diseases of Women.
FRED PATERSON WEBSTER, M. D., Instructor in Diseases of Children.
EDWIN WAGNER GEHRING, B. S., M. D., Instructor in Physiology.
THOMAS JAYNE BURRAGE, A. M., M. D., Demonstrator of Histology.
WALLACE WORDSWORTH DYSON, M. D., Instructor and Assistant Demonstrator in Anatomy.
CHARLES LANGMAID CRAGIN, M. D., Assistant Demonstrator of Anatomy.
PHILIP PICKERING THOMPSON, A. B., M. D., Assistant Demonstrator of Anatomy.
PHILIP WEBB DAVIS, A. B., M. D., Clinical Assistant in Surgery.
WILLIAM MORAN, M. D., Clinical Assistant in Diseases of the Eye.
ALFRED WILLIAM HASKELL, M. D., Clinical Assistant in Surgery.
ERNEST WOODBURY FILES, A. B., M. D., Clinical Assistant in Medicine.
FRANCIS JOSEPH WELCH, A. B., M. D., Clinical Assistant in Medicine.
GEORGE THOMAS LITTLE, Litt. D., Librarian.

For Catalogue apply to ALFRED MITCHELL, M. D., Brunswick, Me.

MEDICAL PRACTICE ACT OF MAINE.

Chapter 170, Acts of 1895. An Act to Regulate the Practice of Medicine and Surgery. Be it enacted by the Senate and House of Representatives in Legislature assembled as follows:

Section 1. The Governor, with the advice and consent of the Council, shall appoint six persons, residents in this State, who shall be graduates of a legally chartered medical college or university having the power to confer degrees in medicine, and who shall have been actively employed in the practice of their profession for a period of five years, who shall constitute a Board of Registration of Medicine. Such persons shall be appointed and hold office for terms of two, four and six years respectively, beginning with the first day of July in the present year, and until their successors are appointed, and thereafter the Governor, with the advice and consent of the council, shall appoint on or before the first day of July every other year, two persons qualified as aforesaid, to hold office for six years from the last named day. No member of said board shall belong to the faculty of any medical college or university. Vacancies in said board shall be filled in accordance with the provisions of this act for the establishment of the original board and the person appointed to fill a vacancy shall hold office during the unexpired term of the member whose place he fills. Any member of said board may be removed from office for cause by the Governor, with the advice and consent of the Council and not more than two members of said board shall at one time be members of any one chartered state medical society.

Sec. 2. The members of said board shall meet on the second Tuesday of July next, at such time and place as they may determine, and shall immediately proceed to organize by electing a chairman and secretary, who shall hold their respective offices for the term of two years. The secretary shall give to the state treasurer a bond in the penal sum of one thousand dollars, with sufficient sureties to be approved by the governor and council, for the faithful discharge of the duties of his office. The said board shall hold regular meetings, one in March, one in July and one in November of each year, and such additional meetings at such times and places as it may determine. Said board shall cause a seal to be engraved and shall keep correct records of all its proceedings, and is hereby authorized to make such minor rules and regulations as shall be deemed necessary for the successful enforcement of this act.

Sec. 3. It shall be the duty of said board immediately upon its organization, to notify all persons practicing medicine or surgery for gain or hire as a livelihood in this State, of the provisions of this act, by publication in one or more newspapers in each county, and every such person who is a graduate of a legally chartered medical college or university having power to confer degrees in medicine, and every person who has been a practitioner of medicine or surgery in this State for a period of three years next prior to the passage hereof, shall, upon exhibition of satisfactory proof thereof to said board and upon the payment of a fee of two dollars, be entitled to registration, and said board shall issue to him a certificate signed by the chairman and secretary and sealed, and said certificate shall state the facts and the cause of said registration, and must be publicly displayed at the person's principal place of business as long as said person continues such practice for gain or hire.

Sec. 4. Any person not entitled to registration as aforesaid shall, upon the payment of a fee of ten dollars, be entitled to examination and if found qualified by a majority of the members of the board present shall be registered as a physician or surgeon, and shall receive a certificate thereof as provided in section three. Any person refused registration may be re-examined at any regular meeting of said board, within two years of the time of such refusal, without additional fee, and thereafter may be examined as often as he may desire upon the payment of the fee of ten dollars for each examination. Said board, after a conviction before a proper court, for crime in the course of professional business, and after hearing, may by

Maine

unanimous vote revoke any certificate issued by them and cancel the registration of the person to whom the same was issued. Said board has also power to suspend or revoke any certificate by unanimous vote, in any case where same certificate has been wrongfully obtained or any fraud connected with the said registration. All fees received by the board under this act shall be paid by the secretary thereof into the treasury of the state once in each month.

Sec. 5. The compensation, incidental and traveling expenses of the board shall be paid from the treasury of the state. The compensation of members of the board shall be five dollars each for every day actually spent in the discharge of their duties, and five cents per mile each way for necessary traveling expenses in attending the meetings of the board, but in no case shall any more be paid than has actually been expended. The secretary shall be allowed extra compensation for books, stationery, postage and other necessary expenses actually incurred. Such compensation and the incidentals and traveling expenses shall be approved by the board and sent to the auditor of the state, who shall certify to the governor and council the amount due, as in the case of other bills and accounts approved by him under the provisions of law; provided, that the amount so paid shall not exceed the amount received by the treasurer of the state from the board in fees as herein specified, and so much of said receipts as may be necessary is hereby appropriated for the compensation and expenses of the board as aforesaid.

Sec. 6. The board shall keep a record, the names and residences of all persons registered hereunder and a record of all moneys received and disbursed by said board, and said records or duplicates thereof shall always be open to inspection in the office of the secretary of state during regular office hours. Said board shall annually report to the governor, on or before the first day of January in each year, the report to contain a full and complete account of all its official acts during the year, also a statement of receipts and disbursements of the board and such comments or suggestions as may be deemed essential.

Sec. 7. It shall be the duty of the board, its members or agents to investigate all complaints regarding non-compliance with or violation of the provisions of this act and to bring all such cases to the notice of the proper prosecuting officers.

Sec. 8. (As amended March 22, 1901.) *On and after the passage of this act, the board shall examine all applicants for registration as licensed physicians or surgeons. Each applicant shall, at least seven days before the date of his examination, present to the secretary of the board an application under oath or affirmation, giving satisfactory proof of being twenty-one years of age, of having good moral character and of being a graduate of some reputable medical school or college having power to confer degrees in medicine, and in good standing, and maintaining a standard of preliminary education and of medical instruction approved by the board. He shall also present such other facts as the board in its blank application may require, and must pay the fees herein provided. Examinations shall be in whole or in part in writing and shall be of an elementary and practical character. They shall embrace the general subjects of anatomy, physiology, pathology, materia medica and therapeutics, surgery, the principles and practice of medicine, and obstetrics, or such branches thereof as the board may deem necessary for the applicant to possess. The board is also hereby authorized to make such rules and regulations as may be necessary for reciprocity of licensure with the boards of other states which maintain a standard of education at least equal to their own; but no such rules shall become operative until they have been approved by a justice of the supreme judicial court.

Sec. 9. On and after the first day of January, eighteen hundred and ninety-six it shall be illegal for any person not duly registered by this board to practice medicine or surgery, or any branch thereof for gain or hire within this state. Whoever not being registered as aforesaid shall so practice or shall advertise or hold himself out to the public as a physician or surgeon in this state who appends to his name the letters "M. D." or who uses the title of a doctor or physician, meaning thereby a doctor of medicine, shall be punished by a fine of not less than one hundred nor more than five hundred dollars for each offense, or by imprisonment in jail for three months, or both.

Sec. 10. (As amended March 22, 1901.) *This act shall not apply to commissioned officers of the United States army, navy, or marine hospital service, or to a physician or surgeon who is called from another state to treat a particular case and who does not otherwise practice in this state, nor to prohibit gratuitous service or the rendering of assistance in emergency cases, nor to mid-wives who lay no claim to the title of physician or doctor.

Sec. 11. Neither shall this act apply to clairvoyants or to persons practicing hypnotism, magnetic healing, mind cure, massage, Christian science, so called, or any other method of healing if no poisonous or dangerous drugs are employed nor surgical operations performed; provided, such persons do not violate any of the provisions of section nine of this act in relation to the use of "M. D.," or the title of doctor or physician.

Sec. 12. For the purposes of the appointment of said board and of registration of persons by it hereunder, this act shall take effect upon its passage and shall take full effect on the first day of January, in the year eighteen hundred and ninety-six.

Approved March 27th, 1895.

RECIPROCITY.

Reciprocity now exists between the Maine Board of Registration of Medicine and the licensing boards of the following States, viz.—Colorado, Delaware, District of Columbia, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maryland, Michigan, Minnesota, Missouri, Nebraska, Nevada, New Jersey, North Dakota, Ohio, South Carolina, Tennessee, Texas, Utah, Vermont, Wisconsin, Wyoming, Virginia and West Virginia.

CONDITIONS.

- 1st. Diploma from approved Medical College.
- 2d. Applicant must have passed the regular examination of the Board of that State from which he comes to Maine and obtained an average rank of 75 per cent.

*See Chapter 275, Acts of 1901.

THE RALPH SANITARIUM

A quiet, well equipped and well handled Home Sanitarium for the treatment of **DRUG** and **LIQUOR** habits. Personal study and attention given each case. A new and very successful treatment, removing the desire and necessity for the Drug or Liquor within a few days and restoring the patient to normal condition in a few weeks' time. Good nursing, every comfort, scientific treatment, no suffering and A CURE. Special rates to physicians. For Literature and full details of treatment address **THE RALPH SANITARIUM, 529 Highland Ave., Kansas City, Mo.**

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

(U. S. Census Bureau, 1906.)

Number of Physicians, 2,051.

Maryland, one of the thirteen original states of the Union, has a population, according to the United States census of 1900, of 1,950,050, as compared with a population in 1890 of 1,042,390, showing an increase during the decade of 147,-660, or 14.2 per cent. The following table shows the increase in the population since 1850:

1850.....	583,034	1880.....	934,943
1860.....	687,049	1890.....	1,042,390
1870.....	780,894	1900.....	1,190,050

It is situated between the parallels of 37 degrees 53 minutes and 39 degrees 44 minutes north latitude, and the meridians of 75 degrees 04 minutes and 79 degrees 33 minutes west longitude (the exact western boundary being yet undetermined), and is one of the upper tier of Southern States. It is bounded on the north by Pennsylvania on the south and west by Virginia, West Virginia and the District of Columbia, and on the east by the Atlantic ocean and Delaware. Its gross area is 12,210 square miles, of which 9,860 square miles are land surface; the included portion of the Chesapeake Bay 1,203 square miles, Assateague Bay on the Atlantic coast 93 square miles, with 1,054 square miles of smaller estuaries and rivers. The Chesapeake Bay ascends to within a few miles of its northern boundary, dividing the state into the eastern and western shores. The rivers, excluding mere estuaries of the bay, are the Potomac, Patuxent, Patapsco, Gunpowder, Susque-

hanna, Elk, Sassafras, Chester, Choptank, Nanticoke, Wicomico and Pocomoke, all emptying into the Chesapeake Bay. Besides these, the coast line of the bay is deeply indented with a multitude of creeks, coves and other estuaries penetrating the land in all directions, usually bearing the names of rivers and often navigable to some distance by vessels of light draft. Perhaps nowhere else in the world is there a coast line proportionately so expensive or any country offering such facilities for water transportation as tide-water Maryland. Along the ocean frontier runs a narrow reef of sand inclosing and sheltering Synepuxtent and Assateague bays, and giving inland navigation along the whole Atlantic coast of the state. Maryland presents a great variety of configuration, soil and climate. The four most westerly counties extend through the systems of mountain ranges known as the Allegheny and the Blue Ridge; east of these is the Piedmont region, gently inclining towards tide-water, and on both sides of the bay lies the Coastal Plain. The climate, tempered by the vicinity of the ocean and Chesapeake Bay, is on the whole mild and salubrious. The mean annual temperature of the middle portion of the state is 56, of the northern 54, and of the highest portions in the west about 50. The rainfall is abundant throughout the state and is largest on the western coast of Chesapeake Bay, where it averages about 50 inches.

For list of Medical Colleges, see page 152.

MEDICAL DEPARTMENT OF THE JOHNS HOPKINS UNIVERSITY

The Medical Department is an integral part of the Johns Hopkins University and is in close affiliation with the Johns Hopkins Hospital.

ADMISSION.—The School receives as candidates for the degree of Doctor of Medicine only graduates of approved colleges or scientific schools who have had a year's instruction, including laboratory work, in physics, chemistry and biology, and can furnish evidence of a reading knowledge of French and German.

INSTRUCTION.—The academic year begins the first Tuesday in October and closes the second Tuesday in June. The course of instruction occupies four years. Men and women are admitted to the School on the same terms. In the methods of instruction especial emphasis is laid upon practical work in the laboratories and in the Dispensary and Wards of the Hospital.

TUITION.—The charge for tuition is \$200 per annum, payable in three installments, October, January and March 15th. There are no extra charges for matriculation or for the laboratory courses.

SPECIAL COURSES FOR GRADUATES IN MEDICINE.—Special courses for physicians are offered throughout the year, especially during the spring months and in early summer. These courses are of a practical character and are intended to meet the needs of practitioners and teachers of medicine. The fees charged for the different courses can be learned upon application to the Dean.

The annual announcement and catalogue of the Medical Department will be sent upon application to the

POLK'S DENTAL REGISTER

OF THE

United States and Canada.

This is positively the only National Dental Directory published.

Over 36,000 Dentists, arranged by States, Territories and Provinces, with Post-office address and College and year of Graduation.

All the Existing Dental Colleges in the United States and Canada, with Location, Faculty, etc.; also extinct Dental Colleges.

The various Dental Societies and Dental Journals.

Synopsis of Laws regulating practice of Dentistry in each State, Territory and Province.

A Descriptive Sketch of each State, Territory and Province.

It is the only publication of the kind giving an alphabetical list of all Dentists and a reference to name where it appears with post-office address and college information.

There is no more direct or economical way of reaching the Dentists of the United States and Canada than by an advertisement in the Register, or if you wish to circularize, the Register presents the list in convenient form for addressing.

PRICE \$10.00 PER COPY.

MEDICAL LAWS OF MARYLAND.

Article 43. Title "Health." Sub-title "Practitioners of Medicine," as amended and added to at the session of General Assembly for 1892, 1894, 1896 and 1902. (Laws as left in 1892, 1894 and 1896 so designated.)

Section 39. All persons now practicing medicine and surgery, or who shall hereafter begin to practice medicine and surgery in any of their departments, except dentistry, in the State of Maryland, shall possess the qualifications required by this sub-title of this Article.

Sec. 40. From and after the first Tuesday of June, eighteen hundred and ninety-two, there shall be and continue to be two separate boards of medical examiners for the State of Maryland—one representing the Medical and Chirurgical Faculty of the State of Maryland, and one representing the Maryland State Homoeopathic Medical Society of the State of Maryland. The members of said respective boards in office at the time when this law shall go into effect shall continue to hold and exercise their respective offices up to the first Tuesday in June, nineteen hundred and two. On the first Tuesday of June, nineteen hundred and two, said two boards of medical examiners shall be reorganized, and thereafter said boards shall be constituted as follows: Each of said boards shall consist of eight members, who shall be selected by the Medical and Chirurgical Faculty of the State of Maryland and the Maryland State Homoeopathic Medical Society, respectively, at the annual meetings of said respective societies; and each appointee is, immediately after his election, to be furnished with a certificate thereof by the society electing him. Each such member of said respective boards, except those elected in the year nineteen hundred and two, shall serve for four years, or until his successor is appointed and qualified. At their respective annual meetings held in the year nineteen hundred and two, each of said aforementioned societies shall elect the full number of eight examiners for its respective board, of whom two shall be elected for four years, two for three years, two for two years, and two for one year, and thereafter two examiners shall be elected by each society in each year, as hereinbefore provided, to serve for a term of four years or until their successors are appointed and qualified, the outgoing members to be eligible for re-election. The terms of office of all members so elected shall begin on the first Tuesday in June, in the year in which they shall be respectively elected; each board is to have the exclusive right to examine, pass upon the qualifications of and license its own applicants. The examiners shall be physicians actually engaged in the practice of medicine or surgery in the State of Maryland, and of recognized ability and honor. No member of any medical college or university, who passes upon the qualifications of graduates of any medical school, shall be eligible to serve as a member of either of said boards. In case of a vacancy occurring in either of said boards, the board in which such vacancy shall occur shall fill the same until the next annual meeting of the Medical and Chirurgical Faculty, or the Maryland State Homoeopathic Medical Society, according as the board in question may be the representative of one or other of said societies, when said society shall elect an examiner to serve for the remainder of such unexpired term.

Sec. 40 A. Each of said boards shall, at its meeting on the first Tuesday in June of each year, appoint a secretary-treasurer for the board, whose term of office shall last for one year, and who shall be eligible for re-appointment, and whose duties shall be as follows: Within sixty days from the time of his appointment by his respective board; it shall be the duty of the Clerk of the Circuit Court of Baltimore City, and the Clerks of the Circuit Courts of each county in the State, to furnish the secretary-treasurer of each board a list of all physicians who have been legally registered in such Court. To all those physicians who have at that time been practicing in the State without having been legally registered, said secretary-treasurer shall send a printed notice of the section of this Act relating to the duty of the Police Commissioners in Baltimore City and the sheriffs of the counties of the State under this law. Within four months of the time of his appointment he shall see that all physicians entitled to register have been registered, and that the names of all those who are not entitled to be registered under this Act have been presented for prosecution to the State's attorney of the City of Baltimore, and of each county in the State in which the accused, respectively, reside. Those physicians, who, being entitled to register under this Act, yet have failed to comply at the expiration of this time—four months from the election of the secretary-treasurer of the board—shall also be prosecuted, and no one after the passage of this Act shall be allowed to practice medicine or surgery without being duly registered according to the provisions of this Act. The secretary-treasurer shall keep the official records of the board for which he is secretary, as provided for in section 41 of this Act, the examination papers of applicants for at least three years, after they have been passed upon by the board, after which they are to be destroyed, and a complete list of all registered physicians in the entire State. He shall call the attention of the State's attorneys of Baltimore City and of the different counties throughout the State to all violations of the law under this Act. He shall collect and hold all moneys belonging to the Board, for which he shall give bond to the State of Maryland in the sum of \$1,000, the same to be held by the president of the board. He shall receive from the income of the board such salary as his respective board may determine.

Sec. 41. Each board of medical examiners shall meet on the first Tuesday in June in each year for the purpose of reorganization. At said first meeting of said respective boards, each of said boards shall effect an organization by the election from its own membership of a president, and shall also appoint a secretary-treasurer, as otherwise provided in this Article. For the purpose of examining applicants for

Maryland

OF NORTH AMERICA (1910)

Maryland

843

licenses, each of said boards of medical examiners shall hold one or more stated or special meetings in each year, due notice of which shall be made public, at such time and places as may be determined by the members thereof, respectively. At said stated or special meeting a majority of the members of the board shall constitute a quorum thereof. Each of said boards of medical examiners shall keep an official register of all applicants for an examination for a license to practice medicine and surgery in this State; said register for license shall show the name, age and last place of residence of each candidate, the school from which he or she may have graduated, and whether such applicant was rejected or licensed under this sub-title; but such matters shall not be written in the register or made public until after the examination.

Sec. 42. At the first meeting of an examining board, or at a stated or special meeting held subsequently, suitable provision shall be made by each of the examining boards to prepare a schedule of written examination upon anatomy, physiology, medical chemistry, surgery, practice of medicine, materia medica, therapeutics, obstetrics and pathology, and the same standard of excellence shall be required from all candidates. In the departments of therapeutics and practice, the question shall be in harmony with the tenets of the school selected by the candidate; the standard of requirements therein to be established by each board for itself. Whenever members of any board are necessarily absent from meeting held for the examination of applicants for license, suitable temporary provision shall be made for thorough examination in each and all of the aforesaid subjects by members present. The examination shall be fundamental in character. The votes of all the examiners present shall be "yes" or "no," written with their signatures upon the backs of the examination papers of each candidate for the respective branches.

Sec. 43. All persons, except physicians who were practicing medicine in this State prior to the first day of January, 1898, who are now practicing medicine or surgery and can prove by affidavit that within one year of said date said physician had treated in his professional capacity at least twelve persons, who shall commence the practice of medicine or surgery in any of their branches after the passage of this Act, shall make a written application for license to the president of either board of medical examiners which said applicant may elect, accompanied by satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a competent common school education, and has either received a diploma conferring the degree of doctor of medicine from some legally incorporated medical college in the United States or a diploma or license conferring the full rights to practice all the branches of medicine and surgery in some foreign country; said diploma, if from a college in the United States, must have been conferred by a legally incorporated college requiring a four years' standard of education as defined by the American Medical College Association or the Intercollegiate Committee of the American Institute of Homeopathy, respectively; provided, that this requirement shall not apply to any physician who shall, prior to the passage of this Act, have practiced outside of this State for at least three years, and who shall have been duly registered or licensed in the place where he has so practiced; provided further, that two courses of medical lectures, both of which shall be either begun or completed within the same calendar year, shall not satisfy the above requirements; provided also, that in the case of students who at the time of the passage of this Act shall be in their second year in a medical college, a three years' course of study, or attendance on three courses of lectures delivered in different years, shall satisfy said requirements. Proof of the qualification of applicants, as above, shall, if required, be made by affidavits at the time of the making of said application and payment of fee as provided. The president of the board to whom such application shall have been made, if satisfied with the same, shall direct the secretary-treasurer thereof to issue to said applicant an order for examination and when said applicant shall have passed an examination as to proficiency satisfactory to said board, the president thereof shall grant to such applicant a license to practice medicine and surgery in the State of Maryland. If the president of either board of medical examiners shall have refused any application, either for want of the qualifications necessary to entitle such applicant to an examination, as hereinbefore provided, or for want of proficiency of such applicant upon being subjected to an examination, then the president of neither of said boards shall entertain or pass upon a subsequent application from said applicant until after the expiration of six months from the rejection of said previous application. The respective boards are authorized to license, without examination, applicants who present proper certificates of proficiency and professional standing at the time of application, issued by boards of medical examiners of the District of Columbia and of other States, the requirements of which are of as high a standard as those governing the boards of medical examiners of this State; provided such boards of such States or district grant the same privileges to licentiates of the examining boards of Maryland, such applicants, however, being still required to furnish the same proof of qualifications required of other applicants by this section. Medical students at the end of their second year of study, who have, as verified by the certificate of the dean of the college which they have attended, completed the studies of anatomy, physiology, medical chemistry, and materia medica in said college, shall on application, be examined in such studies by the State licensing board, the result of said examination to be considered as part of the final examination, the full regular fee to be paid at this time, no part thereof to be returned, but placed to their credit for the remainder of the examination yet to be taken. Medical students who have, as verified by the certificate of the dean of the college which they have attended, completed a full four-years' course of studies and lectures, but who have not yet received their diplomas, shall upon application be examined in all the branches enumerated in section 42 of this Article by the State licensing board the final certificate and license of the said board being withheld until the diploma of the proper medical college, with the candidate's name inscribed, be produced to the secretary of the board. Diplomas presented by graduates of foreign colleges shall be accepted if a course of four-years' study has been required by said foreign college before issuing such diploma.

Maryland

(1910) POLK'S MEDICAL REGISTER

Maryland

Sec. 43 A. Any physician who may change his residence from the District of Columbia to the State of Maryland, or who while living in the District of Columbia shall desire to practice medicine or surgery in the State of Maryland, shall, upon application to the examining board of the State of Maryland, be entitled to a license, without fee and without examination, provided, that the application be properly endorsed at the time it is presented by the examining board of the District of Columbia, certifying to the proficiency and professional standing of the applicant; and provided further, that the examining board of the District of Columbia shall, under the laws thereof, grant like and equal privileges to the licensed physicians of this State who may remove to said District of Columbia, or while continuing to reside in this State may desire also to practice in said District.

Sec. 44. That all examinations shall be conducted in such manner that the name, school of graduation and preparatory training of said applicant shall not be made known to the board of examiners until his examination papers have been graded. An applicant receiving a majority of the votes of the board before whom the applicant appeals shall be considered to have passed a satisfactory examination and entitled to the license of said board. (1892.)

Sec. 45. A fee of fifteen dollars shall be paid to the secretary-treasurer of the board before whom the applicant appears before such examination is had, which payment shall entitle said applicant to a second examination, in case of failure, at the expiration of six months and within twelve months thereafter; said fee to be applied by said board towards paying the expenses of said board.

Sec. 46. The board shall refuse to grant a license to any applicant who may be radically deficient in his examination in any essential branch; provided, that in any case of failure at any such examination, the candidate shall not be permitted to take another examination before either board until after the expiration of six months from the date of his rejection; provided, however, that any applicant who has been heretofore, during the previous year before the passage of this Act, or who shall hereafter so fail, shall be credited as having passed in such branches as he has or shall have been found proficient in, and he shall not be again examined in said subjects.

Sec. 47. That every license to practice medicine and surgery, issued pursuant to the provisions of this Act, shall be subscribed by the president and secretary of the board before whom the applicant has passed. It shall also have affixed to it by the person authorized to affix the same, the seal of said Medical and Chirurgical Faculty of Maryland, or of the Maryland State Homœopathic Medical Society, as the license may require, every such license to be in the following form and to the following effect:

To all whom it may concern, greeting:

Be it known that on the day of, A. D., having offered to us satisfactory proof that was more than twenty-one years of age, and had received a proper preliminary education; we, therefore, gave a written order for the examination of said before one of the boards of medical examiners of the State of Maryland; that the said was fully examined before the said board and found proficient and qualified to practice medicine and surgery in the State of Maryland as a physician and surgeon, and have caused the names of the president and secretary of our board to be subscribed and the seal of our society to be affixed hereto.

Witness our hand, and the seal of our society, this day of, A. D. President,; Secretary.

[Seal of Society.]

(1894.)

Sec. 48. Any person receiving a license from either of said boards shall file the same at once with the clerk of the Circuit Court of the county in which he or she may reside, or with the clerk of the Superior Court of Baltimore City, if said person shall reside therein, and it shall be the duty of said clerk to register the name of said person and of the president of the board signing said license in a book kept for the purpose, as a part of the records of his office; and the number of the book and the page therein containing said recorded copy shall be noted by said clerk upon the face of said license. In case said person should, after the recording of such license, permanently remove his or her residence to some other county of the State or to Baltimore City, he or she shall thereupon at once file said license, or certified copy thereof, for record as aforesaid, with the clerk of the Circuit Court of the county or city to which he, or she shall have so removed; said records shall be open to public inspection under proper restrictions as to their safe keeping, and in all legal proceedings shall have the same weight as evidence that is given to the records of conveyances of land. The fee for such registration shall be fifty cents, to be paid by the person whose license is registered.

Sec. 49. Repealed.

Sec. 50. Any person to whom the provisions of this Act applies, practicing or attempting to practice medicine or surgery in this State, without first having obtained the license of one of said boards of medical examiners, shall be guilty of a misdemeanor, and shall pay a fine of not less than fifty dollars, nor more than two hundred dollars, for each offence, or in default of payment shall be confined in the city or county jail until the fines and costs are paid, and shall be debarred from recovering compensation for services rendered as such physician or surgeon. (1892.)

Sec. 51. Repealed.

Sec. 52. Said boards shall make a report to the Medical and Chirurgical Faculty of Maryland and the Maryland State Homœopathic Medical Society, respectively, at each annual meeting of said respective societies.

Sec. 52 A. And said boards shall upon request issue certificates of professional standing to physicians moving out of the State.

Sec. 53. From and after the first day of July, 1894, no person shall practice medicine or surgery in the State of Maryland unless he or she be duly registered as a physician or surgeon in accordance with the provisions of this Act. (1894.)

Sec. 54. Every person who was practicing medicine in the State of Maryland on or before the first day of June, 1892, shall be entitled to be registered as a physician

or surgeon, or both, upon making application to the president of either Board of State Medical Examiners, which application shall be in writing, and verified by the oath of said applicant taken before any officer entitled to administer oaths under the laws of this State, and shall state that the applicant was a duly qualified lawful practitioner of medicine, in good standing, actually engaged in the practice of such profession in said State, on or before said first day of June, 1892. And upon receiving said application, and being satisfied of the truth of said statement therein contained, said president of such board shall issue or endorse his permit for such applicant to be registered, upon a copy of such application, which permit shall also be countersigned by the secretary of said board; and any president of such board, to whom such application is addressed, may in his discretion make inquiry, and examine witnesses under oath, or receive other evidence as to the truth of the statements contained in such application, for a permit to be registered; and if the president of either of such boards of medical examiners shall act upon such application, and shall refuse the same, then no president of the other of said boards shall entertain or act upon any application of such applicant for such permit. And upon the presentation of a permit to be registered, signed by the president, and countersigned by the secretary of either of said boards of medical examiners, to the clerk of the county where the applicant may reside, or to the Clerk of the Circuit Court of Baltimore City, if said applicant shall reside in Baltimore City, it shall be the duty of the said clerk to register such application and permit, and the name of such applicant as physician or surgeon, or both, in a book to be kept for such purpose, and a certified copy of such entry of registration, under the seal of the court, shall be legal evidence of such registration in all the courts of the State; provided, however, that the provisions of this Act shall not apply to those practicing medicine in the State of Maryland prior to June, 1892, and who registered as practitioners of medicine prior to July, 1894. (1896.)

Sec. 55. All persons who have commenced to practice medicine or surgery in the State of Maryland since the first day of June, 1892; or who shall hereafter commence to practice medicine or surgery in the State, shall not be entitled to be registered in the Registry of Physicians and Surgeons, as required by law, except upon filing with the Clerk of the Circuit Court of the county or city in which he or she shall reside, a license from one of the duly constituted boards of examiners of this State, in accordance with the terms of sections 47 and 48 of this article, except that physicians and surgeons who have come into this State since the first day of June, 1892, or who shall hereafter come into the State to follow the practice of medicine and surgery, may receive a license, which shall entitle them to be registered as physicians and surgeons, in accordance with law, upon application to one of the duly constituted boards of medical examiners in accordance with the provisions of sec. 56 of this Act. (1894.)

Sec. 56. Physicians and surgeons of good moral and professional standing who shall hereafter come into this State with intent to follow the practice of medicine and surgery within this State, being graduates of a medical college or university of good standing, or having a certificate or license from a board of medical examiners of any State where the requirements for practice are equal to those required by the board named in this article, may make application to the president of either board of medical examiners of this State, which application shall be made under oath and shall state when and how long said applicant has been engaged in the practice of medicine and surgery and from what medical college, university or other institution of learning he or she graduated. And, thereupon, the board of medical examiners shall have the authority and discretion to require applicants to undergo an examination, in accordance with the provisions of sections 41 to 47, inclusive, of this article, or may require said applicant to submit to a special examination, the terms and methods of which shall be prescribed by the board of medical examiners, and upon paying the fee for examination, as set out in section 45 of this article. After the examination and determination of said board, thereupon, that said applicant is qualified to practice medicine and surgery, and that he is entitled to a license, a license shall be issued to him to the same effect as the form of license set out in section 47 of this article, which license shall be filed and recorded as provided by section 47 of this article, and it shall then be the duty of the clerk of the court to register the name of the person so licensed as physician or surgeon, or both, in accordance with the provisions of this Act. (1896.)

Sec. 57. All persons whose licenses have been heretofore filed and recorded in accordance with sec. 48 of this article shall be held to be duly registered physicians and surgeons within the provisions of sec. 53 of this article, and all persons who shall hereafter receive and file licenses to be recorded in accordance with said sec. 48, shall be registered as physicians and surgeons under said section, and the fee to be paid for such registration and the registration of the application to the clerk, or the license therewith, as the case may require, shall be one dollar. (1894.)

Sec. 58. If any person shall unlawfully obtain and procure himself to be registered as a physician or surgeon, either by false and untrue statement contained in his application to the clerk of the court, as required by this Act, or by presenting to said clerk a false or untrue license, or are fraudulently obtained by false and fraudulent statements made to one of said Boards of Medical Examiners, he or she shall be declared guilty of a misdemeanor and shall be fined not less than fifty dollars, nor more than five hundred dollars, and shall forfeit all rights and immunities obtained or conferred upon him by virtue of such registration, as physician or surgeon. (1894.)

Sec. 59. Any person who, after the first day of July, 1894, shall practice, or attempt to practice, medicine or surgery in this State, without being registered in accordance with the provisions of this Act, shall be guilty of a misdemeanor and shall be fined not less than ten dollars nor more than two hundred dollars for each offense. (1894.)

(1910) POLK'S MEDICAL REGISTER

Maryland

Sec. 60. The provisions of this Act shall not apply to any midwife, or person who may render gratuitous services in cases of emergency. (1894.)

Sec. 61. Any person shall be regarded as practicing medicine within the meaning of this Act who shall operate on or prescribe for any ailment of another, or who shall append to his or her name the letters M. D., or prefix the word Doctor, or the abbreviation thereof, Dr., to his or her name, with the intent thereby to imply that he or she is a practitioner of medicine or surgery; but nothing herein contained shall be construed to apply to gratuitous services, nor to any resident or assistant resident physicians or students at hospitals in the discharge of their hospital or dispensary duties, or in the office of physicians, or to any physician or surgeon from another State, territory or district in which he reside when in actual consultation with a legal practitioner of this State; or to commissioned surgeons of the United States Army or Navy or Marine Hospital service, or to chiropodists, or to midwives, or to masseurs or other manual manipulators who use no other means; nor shall the provisions of this Article apply to physicians or surgeons residing on the border of a neighboring State, and duly authorized under the laws thereof to practice medicine or surgery therein, whose practice extends into the limits of this State; provided, that such practitioners shall not open an office or appoint places to meet their patients or receive calls within the limits of this State without complying with the provisions of this Act; provided, that the same privileges be accorded to licensed physicians of this State; provided, further, that nothing in this Act shall annul any of the Acts of the present dental law of the State of Maryland, nor shall apply to any registered graduate of dental surgery now practicing in the said State of Maryland, with the sign titles: Dentist, Surgeon Dentist, Dental Surgeon or Stomatologist.

Sec. 61 A. It shall be the duty of the Police Commissioners of Baltimore city, and of the sheriffs of each county in the State, to see that all practicing physicians in the State shall be legally registered according to the provisions of this Article, and to report to the State's attorney of the city or county all cases of the violation of the provisions of this Article.

Sec. 62. Repealed.

Sec. 63. It shall be the duty of the secretary of either or both of said State Boards of Medical Examiners to inquire into all violations of law under this article, and to institute all proceedings or prosecution thereof, and all expenses incurred by any secretary of either of such boards hereunder shall be allowed and paid out of the funds acquired by or belonging to said boards respectively. (1896.)

Sec. 64. The said board of medical examiners shall have full control over the expenditures and disposition of the funds collected from the fees and charges authorized to be made under the terms of this article, and shall fix and allow such compensation as they may deem proper for service rendered in the performance of the duties required by this article by members of said board or others, with the full power also to allow and discharge all proper expenses of said board, and any surplus to dispose of as said board may deem for the advantage of the practice of medicine in this State. (1896.)

Sec. 64. Any person practicing or attempting to practice medicine under the name of any other person, whether that person be a resident of this State or not, or whether he or she be deceased or not, or any person acting under the name of and as agent of any other person, in the capacity of a practitioner of medicine or surgery, shall be guilty of a misdemeanor, and upon conviction by any Court having criminal jurisdiction shall be punished by imprisonment in the city or county jail for not less than thirty days nor more than one year, or by a fine of not less than twenty dollars nor more than five hundred dollars, or both, in the discretion of the Court, for each offense.

Sec. 65. Either board of Medical Examiners of this State may, by a vote of five members, revoke any license which it has issued, and may cause the name of any physician licensed by said board to be removed from the register of the licentiates to wit: The use of fraud or deception in passing the examination provided in this article, habitual drunkenness, criminal abortion, conviction of crime involving moral turpitude or unprofessional or dishonorable conduct. Before proceeding to revoke any such license, the person against whom complaint is made shall be furnished with a copy of the complaint and charges made against him, and shall be given an opportunity for a hearing before the board, in person or by attorney, and at such hearing testimony may be offered for and against the accused. The action of the board shall be reduced to writing, stating also the reasons for such action, and a copy thereof shall be delivered or mailed to the person against whom complaint is made; within sixty days after said notice of revocation of the license shall have been delivered or mailed to any person, said party shall have the right of appeal to the Circuit Court of the city or county wherein he may reside, the judge or judges of which said Court shall fully hear and determine all matters connected with the action of said board from which appeal is taken, and the decision of said Court shall be final; should no such appeal be taken within sixty days, or should said appeal result in the affirmation of the action of said board, the clerk of the Circuit Court or Courts where said license so revoked shall have been recorded shall, upon due notice from the secretary-treasurer of said board, strike off the name of said party from the list of licensed practitioners recorded upon said register. At any time within two years from the revocation of any license, the board revoking same may, by a vote of five members, issue without examination a new license to the person whose license was so revoked; but after the expiration of two years such person can obtain a new license only by compliance with the same requirements which are imposed on other applicants for licenses under this article.

Sec. 2. And be it further enacted, That this Act shall take effect from the date of its passage.

Approved April 11, 1902.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; %, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ‡, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

fect lubricant.

OBSTETRICAL PACKAGES.

691 Boylston Street, BOSTON, Mass.

CAPITAL, BOSTON.

Population of State, 3,043,346.

(State Census Bureau, 1906.)

Number of Physicians, 5 675.

The State of Massachusetts, which was included in the original thirteen, extends from 41 degrees 15 minutes to 42 degrees 55 minutes north latitude and from 69 degrees 56 minutes to 73 degrees 31 minutes west longitude, and comprises an area of 7,800 square miles, or 4,992,000 acres. It is bounded on the north by Vermont and New Hampshire, on the east by the Atlantic ocean, on the south by Rhode Island and Connecticut, and on the west by the State of New York.

The climate is cool and salubrious, the winters being severe and long and the summers warm but short. The mean annual temperature as observed at New Bedford during a period of 58 years is 48.56 degrees, that of the summer 66.95 degrees, and of the winter 30.21 degrees. The average annual rainfall is about 45 inches.

The surface of the state is greatly diversified. For some distance inland from the coast the country presents a somewhat level appearance, rising gradually into a hilly region in the central portion of the state and mountains in the western. It is well watered by numerous rivers and many small lakes or ponds. The state has long held the reputation of being the foremost educational center in the Union. Harvard University, the "Cambridge" of America, the oldest and one of the wealthiest institutions of learning in the United States, was founded in 1636 at Cambridge, and

to this state is credited the honor of first instituting that system of public schools which has now made such giant progress throughout the entire Union. The most fertile sections are the valleys of the Connecticut and other rivers, but the greater part of the state is moderately productive. Hay, wheat, corn, rye, oats, potatoes and tobacco are the principal crops. Cranberries are grown in the southeastern portion. Massachusetts is pre-eminently a manufacturing state, ranking third in the United States in this respect. In the production of textile fabrics and leather goods, it stands at the head of American industries, also in the quantity and value of granite produced, and as regards its fishery interests. Machinery, jewelry, watches, paper, cycles, woodenware, firearms, clothing, etc., stand high on the list of its staple manufactures.

For list of Medical Colleges, see page 152.

STATE BOARD OF HEALTH.

Chairman, H P Walcott, M D, Cambridge; J A Mead, M D, Watertown; H F Mills, C E, Lawrence; G C Tobey, Wareham; J W Hull, Pittsfield; C H Porter, Quincy; R W Lovett, M D, Boston; Sec, M W Richardson, M D, Boston.

CHAIRMAN, AGENT OR CLERK OF BOARDS OF HEALTH AT FOLLOWING POINTS.

THE LAW RELATING TO THE REGISTRATION OF PHYSICIANS.

(Revised Laws, Chapter 76. Sections 1-9.)

Section 1. There shall be a board of registration in medicine consisting of seven persons, residents of this commonwealth, who shall be graduates of a legally chartered medical college or university having the power to confer degrees in medicine, and who shall have been for ten years actively employed in the practice of their profession. No member of said board shall belong to the faculty of any medical college or university, and no more than three members thereof shall at one time be members of any one chartered state medical society. One member thereof shall annually in June be appointed by the governor, with the advice and consent of the council, for a term of seven years from the first day of July following.

Sec. 2. Said board shall hold regular meetings on the second Tuesday of March, July and November in each year, and additional meetings at such times and places as it may determine. At the regular meeting in July, it shall organize by the choice of a chairman and secretary who shall hold their offices for the term of one year. The secretary shall give a bond to the treasurer and receiver general in the penal sum of five thousand dollars, with sufficient sureties to be approved by the governor and council, for the faithful performance of his official duties.

Sec. 3. Applications for registration shall be made upon blanks to be furnished by the board, and shall be signed and sworn to by the applicants. Each applicant for registration shall furnish satisfactory proof that he is twenty-one years of age or over and of good moral character and upon payment of a fee of twenty dollars, shall be examined by said board. If he be found by four or more members thereof to be 21 years of age or over, and of good moral character, and qualified, he shall be registered as a qualified physician and shall receive a certificate thereof signed by the chairman and secretary. An applicant who fails to pass an examination satisfactory to the board, and therefore refused registration, shall be entitled within one year after such refusal to a re-examination at a meeting of the board called for the examination of applicants, without the payment of an additional fee; but two such re-examinations shall exhaust his privilege under his original application. Said board, after hearing, may by unanimous vote revoke any certificate issued by it and cancel the registration of any physician who has been convicted of a felony or of any crime in the practice of his profession. All fees received by the board shall, once a month, be paid by its secretary into the treasury of the commonwealth.

Sec. 4. The Secretary of the Board of Registration in Medicine shall receive a salary of twenty-five hundred dollars a year, and other members of said board shall each receive a salary of three hundred dollars a year.

Sec. 5. The board shall keep a record of the names of all persons registered hereunder, and of all money received and disbursed by it, and a duplicate thereof shall be open to inspection in the office of the secretary of the commonwealth. Said board shall annually, on or before the first day of January, make a report to the governor of the condition of medicine and surgery in this commonwealth, of all its official acts during the preceding year and of its receipts and disbursements.

Sec. 6. The board shall investigate all complaints of the violation of the provisions of Section 8, and report the same to the proper prosecuting officers.

Sec. 7. Examinations shall be wholly or in part in writing in the English language, and shall be of a scientific and practical character. They shall include the subjects of anatomy, surgery, physiology, pathology, obstetrics, gynecology, practice of medicine and hygiene, and shall be sufficiently thorough to test the applicant's fitness to practice medicine.

DO NOT STAMMER

Our new Institute provides accommodations for one hundred students. Surroundings home-like, moral and wholesome. Cures lasting and permanent. Our 200 page book, "The Origin and Treatment of Stammering," sent free to physicians upon request. Read our adv. opp. Class. School for Stammerers. **THE LEWIS SCHOOL FOR STAMMERERS,** 35-41 Adelaide Street, Detroit, Mich., U. S. A.

884

Massachusetts

(1910) POLK'S MEDICAL REGISTER

Massachusetts

Sec. 8. Whoever, not being lawfully authorized to practice medicine within this commonwealth and registered as aforesaid, holds himself out as a practitioner of medicine, or practices or attempts to practice medicine in any of its branches, or whoever practices medicine or surgery under a false or assumed name, or under a name other than that by which he is registered, or whoever personates another practitioner of a like or different name, shall, for each offense, be punished by a fine of not less than one hundred nor more than five hundred dollars, or by imprisonment for three months, or by both such fine and imprisonment. In a case in which a provision of this or the preceding section has been violated, the person who committed the violation shall not recover compensation for services rendered.

Sec. 9. The provisions of the eight preceding sections shall not be held to discriminate against any particular school or system of medicine, to prohibit medical or surgical service in a case of emergency, or to prohibit the domestic administration of family remedies. They shall not apply to a commissioned medical officer of the United States army, navy or marine hospital service in the performance of his official duty; to a physician or surgeon from another state who is a legal practitioner in the State in which he resides, when in actual consultation with a legal practitioner of this commonwealth; to a physician or surgeon residing in another State and legally qualified to practice therein, whose general practice extends into the border towns of this commonwealth, if such physician does not open an office or designate a place in such towns where he may meet patients or receive calls; to a physician authorized to practice medicine in another State, when he is called as the family physician to attend a person temporarily abiding in this commonwealth; nor to registered pharmacists in prescribing gratuitously, pharmacists, clairvoyants, or persons practicing hypnotism, magnetic healing, mind cure, massage, Christian science or cosmopathic method of healing, if they do not violate any of the provisions of Section 8.

WE FURNISH

LISTS OF NAMES

UP-TO-DATE ANY BUSINESS---ANY LOCALITY ACCURATE

We can also print your envelopes and advertising matter, address your envelopes or wrappers, fold, enclose and mail your circulars.

We publish over 250 City, County, State and National Directories; therefore have unexcelled facilities for furnishing lists or addressing envelopes to any trades and professions that are not covered by our National Trade Directories.

AS DIRECTORY PUBLISHERS

we have available the manuscript matter that we intend utilizing in directories being compiled and therefore can **ADDRESS YOUR ENVELOPES FROM UP-TO-DATE INFORMATION BEFORE IT APPEARS IN TYPE** and consequently **BEFORE IT IS IN THE HANDS OF FIRMS WHOSE BUSINESS IS SOLELY FURNISHING LISTS OF NAMES.** It costs us more to compile lists from our advance manuscript Directory information, but for every extra dollar you pay for lists in advance of publication **YOU SAVE TEN DOLLARS IN POSTAGE.**

Price lists and prospectus of any of our National Publications and Trade Lists sent on application.

C

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book "Advice to Stammerers" and reference sent on request. Address **The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS**, 1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As 'like cures like,' what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

THE ATTLEBORO SANITARIUM ATTLEBORO, MASS.

A MAGNIFICENT institution where the sick find every comfort, convenience, and assistance to recovery. Its work is strictly ethical, carried on by an experienced staff of regular physicians and trained nurses.

Among the advantages are: baths of every description, massage, medical gymnastics, electricity, X-ray, high frequency, mechanical Swedish movements, rest cure, carefully arranged dietary and research laboratories.

The main building is of solid stone and offers accommodations for 100 guests. Many guest rooms have private baths, open fireplaces, and every other modern convenience.

Physicians are especially invited to investigate. **Only 45 minutes by train from Boston.**

For particulars call or write

C

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

MICHIGAN

CAPITAL, LANSING.

Population of State, 2,584,533.

(U. S. Census Bureau, 1906.)

Number of Physicians, 4,243.

Michigan, originally a portion of the famous "Northwest Territory," was admitted into the Federal Union January 26, 1837. It is located on the British American frontier and is separated from the Dominion of Canada by Lakes Superior, Huron and St. Clair, and their connecting straits. It extends, approximately, from latitude 41.7 degrees to 47.48 degrees, and from longitude 82.41 degrees to 90.54 degrees, and covers an area of 56,451 square miles. It is divided into two parts—the Lower and Upper Peninsulas—which are separated by the Straits of Mackinac and contiguous waters. Although united politically

these two divisions are thus disjointed geographically, and they also differ widely in physical characteristics and resources. The Lower Peninsula is for the most part level and prairie like, or moderately rolling and excellently adapted to agriculture; while the Upper Peninsula is hilly and rugged and even mountainous, and is distinguished principally for its abundant mineral resources. The Lower Peninsula is bounded on the east by Lake Huron, the St. Clair river, Lake St. Clair, the Detroit river and Lake Erie, on the west and northwest by Lake Michigan, on the northeast by Lake Huron, and on the south by Indiana and Ohio. It is 277 miles long from north to south, and its greatest width is 259 miles. It has an area of 33,871 square miles, or 21,677,184 acres. The Upper Peninsula is 318 miles long, east and west; and its greatest breadth is 165 miles; with an area of

Michigan

22,580 square miles, or 14,451,456 acres. It is bounded on the north by Lake Superior, on the south by Lakes Michigan and Huron, on the southwest by the State of Wisconsin, and on the east by the St. Mary's river. These great waters give the state a shore line of 1,620 miles, and being at the head of lake navigation, where the products of the west aim to reach water transportation to the seaboard, they have contributed immensely to the state's commercial prominence and prosperity.

The climate is mild, but the temperature varies considerably, the mean annual temperature as observed at Fort Mackinac being 41.02 degrees and at Detroit 47.25 degrees. The average annual rainfall varies from 23 inches at Mackinac to 30 at Detroit.

For list of Medical Colleges, see page 152.

MEDICAL LAW OF MICHIGAN.

(L'Esperance Act—Act 164 of Public Laws 1907. In effect June 18, 1907.)

Section 3. On and after the date of the passage of this act, all men and women who wish to begin the practice of medicine and surgery in any of its branches in this State, shall make application to the State Board of Registration in Medicine, to be registered and for a certificate of registration. This registration and certificate shall be granted to such applicants as shall give satisfactory proofs of being twenty-one years of age and of good moral character, but only upon compliance with at least one of the following conditions contained in subdivisions one, two and three of this section.

First, The applicant shall be registered and given a certificate of registration if he shall satisfactorily pass an examination under the immediate authority and direction of the board upon the following subjects: Anatomy, physiology, chemistry, pathology, materia medica and therapeutics, toxicology, histology, practice of medicine, surgery, obstetrics, gynecology, mental and nervous diseases, diseases of the eye, ear, nose and throat, bacteriology, hygiene, public health laws of Michigan and medical jurisprudence; said examination to be conducted as follows:

(a) The applicant shall pay a fee of twenty-five dollars prior to examination; Provided, That if the examination is divided the applicant shall pay ten dollars for the first examination and fifteen dollars for the final examination;

(b) The examination shall be in writing, oral, or both.

(c) The questions on all subjects, except in materia medica and therapeutics and practice of medicine, shall be such as may be answered alike by all schools of medicine;

BACKWARD CHILDREN

Our institution provides a Christian home with expert instruction for constitutionally defective children and adults, backwardness and awkwardness of speech, speech hesitation, lisping, burring, cleft palate, lalling, nasal twang, tied tongue, paralysis of the vocal cords, substitution of sounds, defective articulation, coupled with backwardness of intellect, and all other forms of imperfect utterance of speech and articulation.

(1910) POLK'S MEDICAL REGISTER

Michigan

(d) The applicant shall, if possible, be examined in materia medica and therapeutics and practice of medicine by those members of the board or by a qualified examiner appointed by the board, belonging to the same school as the applicant, and no applicant shall be rejected because of his adherence to any particular system of practice;

(e) An average percentage of at least seventy-five per cent of correct answers on all of the subjects listed under this section, and of not less than fifty per cent on each subject, shall be required of every applicant: Provided, That in the case of a qualified applicant who has been in reputable practice at least five years, at the discretion of the board, this requirement of minimum percentage may be modified by the board to meet the necessities of the case. No additional fee shall be charged by this board for the registration of those who successfully pass such examination: Provided, however, That such applicant for examination shall have a diploma from a legally incorporated, regularly established and reputable college of medicine within the states, territories, districts and provinces of the United States, or within any foreign nation, provided such foreign nation accord a like privilege to graduates of approved medical colleges of this State, having at least a four years' course of seven months in each calendar year, as shall be approved and designated by the Board of Registration in Medicine: Also Provided, That such applicant shall have, previous to the beginning of his course in medicine, a diploma from a recognized and reputable high school, academy, college or university, having a classical course, or shall pass an examination equivalent at least to the minimum standard of preliminary education adopted and published by the board before examiners appointed by and in accordance with the regulations of aforesaid board, and at such time and place as the board may designate: Provided, A student entering a college in Michigan, having a preliminary examination of a standard approved by the Board of Registration in Medicine shall not be required to take this examination: Provided, That this requirement of preliminary education shall not apply to those students who, on the date of the passage of this act, were regularly registered as students of legally organized and reputable medical colleges approved by said board. And Provided also, That the requirement of medical education shall not apply to those graduates of legally organized and reputable medical colleges approved of by said board who had graduated from such colleges, previous to the date of the passage of this act; and students complying with the other provisions of this section who, on January first of the present year, were regularly registered as students of legally organized and reputable medical colleges of this State, approved of by said board, may obtain a certificate of registration as graduates of such colleges and without examination by the board upon payment of a fee of ten dollars. The Board of Registration in Medicine shall, from time to time, adopt and publish a minimum standard of medical education, and no medical college shall be approved and designated by said board under this subdivision one, of section three, unless, in the judgment of the board, it conforms with such standard: Provided, That any raising of the standard of medical education, including preliminary education, by the board under this provision shall not go into effect until at least one year after its adoption and publication by the board: And Provided further, That the standard of a preliminary education under the provisions of this act shall not exceed the standard fixed for admission to the literary department of the University of Michigan.

Second, The applicant shall be registered and given a certificate of registration if he shall present a certified copy or certificate of registration or license which has been issued to said applicant in any foreign nation where the requirements of registration shall be deemed by said Board of Registration in Medicine to be equivalent to those of this act: Provided, Such country shall accord a like privilege to holders of certificates from this board. The fee for registration from applicants of this class shall be fifty dollars.

Third, The applicant shall be registered and given a certificate of registration if he shall present a certified copy of certificate of registration or license which has been issued to said applicant within the states, territories, districts or provinces of the United States where the requirements for registration shall be deemed by the Board of Registration in Medicine to be equivalent to those of this act, and shall otherwise conform to the rules and regulations agreed upon between the State Board of which he is a licentiate and said board relative to the recognition and exchange of certificates between states. The fee for registration from applicants of this class shall be fifty dollars.

Fourth, If any person shall unlawfully obtain and procure himself to be registered under this section, either by false and untrue statements contained in his application to the Board of Registration in Medicine, or by presenting to said board a false or untrue diploma or license, or one fraudulently obtained, he shall be deemed guilty of a felony, and on conviction thereof shall be punished by a fine of not less than three hundred dollars nor more than five hundred dollars, or imprisoned at hard labor for not less than one year, nor more than three years, or both, at the discretion of the court, and shall forfeit all rights and privileges obtained or conferred upon him by virtue of such registration as a physician or surgeon.

Fifth, Any person who shall swear falsely in any affidavit or oral testimony made or given by virtue of the provisions of this act, or the regulations of the Board of Registration in Medicine, shall be deemed guilty of perjury, and upon conviction thereof, shall be subject to all the pains and penalties of perjury.

Sixth, The Board of Registration in Medicine shall refuse to issue a certificate of registration provided for in this section to any person guilty of grossly unprofessional and dishonest conduct. The words "unprofessional and dishonest conduct," as used in this act, are hereby declared to mean:

First, The procuring, aiding or abetting in procuring a criminal abortion;
Second, The obtaining of any free on the assurance that an incurable disease can be permanently cured;

Third, The willfully betraying of a professional secret;

Fourth, All advertising of medical business in which grossly improbable state-

Clover-leaf X-Ray Tubes

are the MOST SCIENTIFIC.

ments are made, or where specific mention is made in such advertisements of venereal diseases or diseases of the genito-urinary organs;

Fifth, Having professional connection with, or lending one's name to an illegal practitioner of medicine; or having professional connection with any person who had been convicted in a court of competent jurisdiction under the provisions of this section;

Sixth, All advertising, of any nature or kind, of any medicine, or of any means for the regulation or re-establishment of the menses;

Seventh, All advertising of any matter of an obscene or offensive nature derogatory to good morals;

Eighth, Employing any capper, solicitor or drummer for the purpose of securing patients; or subsidizing any hotel or boarding-house with a like purpose; or paying or presenting to any person money or any other thing of value with a like purpose;

Ninth, Being guilty of offenses involving moral turpitude, habitual intemperance, or being habitually addicted to the use of morphine, opium, cocaine or other drugs having a similar effect. It shall be a misdemeanor for any person to be guilty of "unprofessional and dishonest conduct" as defined in this act. Any person who shall be charged with the commission of such misdemeanor shall be tried in a court of competent criminal jurisdiction and upon conviction thereof shall be fined for each offense not to exceed two hundred and fifty dollars, or shall be imprisoned in the county jail not to exceed three months, or may be both fined and imprisoned in the discretion of the court. The creation of such misdemeanor by this act shall not be construed to supercede any existing remedy or punishment, whether civil or criminal, for any act embraced within the provisions of this act, but shall be construed to be in addition thereto. The Board of Registration in Medicine shall, upon the filing with it of a duly certified copy of a final conviction, obtained in accordance with the provisions of this act, revoke or suspend for a limited period, not less than six months, the certificate of the person so convicted. Said board may, after fair hearing, revoke any certificate of registration heretofore or hereafter granted upon mistake of material fact or by reason of fraudulent misrepresentation of fact by such applicant. The said Board of Registration shall also revoke any certificate obtained through fraud or perjury, or the certificate of any person guilty of a criminal offense created by or embraced within the provisions of this act, when such criminal offense or such fraud or perjury shall have been legally established in a court of competent jurisdiction.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; %, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ‡, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book "Advice to Stammerers" and reference sent on request. Address **The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS, 1414 N. Illinois, Indianapolis, Ind.**

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

MINNESOTA.

CAPITAL, ST. PAUL.

Population of State, 2,025,615.

(U. S. Census Bureau, 1906.)

Number of Physicians, 2,146.

Minnesota was organized as a territory March 3, 1849, and admitted as a state May 11, 1858. The population, according to the state census of 1905, was 1,979,912, an increase of 228,518 since 1900, or 13 per cent, and an increase of 405,293 during the decade from 1895 to 1905, or a growth of 25.7 per cent. This census gives the white population as 1,963,658, while the Indian population for the entire state, including all reservations and scattering bands and settlements of Indians in all parts of the state is 10,920. The number of Negroes in the state is 5,113, an increase of 4,702 in the last forty years. There are 171 Chinese and 50 Japanese in the state. According to sex, the population tables show 1,060,412 males and 909,275 females, the males outnumbering the females by 151,137. The totals are exclusive of Indians on reservations.

The state extends from 43 degrees 30 minutes to 49 degrees north latitude, and from 90 to 97 degrees west longitude, having an area of 79,205 square miles. On the north it is separated from Ontario, Canada, by the Pigeon and Rainy Lake rivers, with the exception of a few miles on the divide between the head waters of these two river systems, where the boundary is an arbitrary line. West of the point where the Rainy Lake river discharges its waters into Lake of the Woods, it is bounded on the north by that lake, and, for a distance of some 80 miles, by Manitoba. The eastern boundary is formed by Lake Superior and the St. Croix and Mississippi rivers, with about 40 miles of political boundary between the head of the lake and the point where the St. Croix river bends to the east into Wisconsin. On the south

the parallel of 43 degrees 30 minutes separates it from Iowa, and on the west it is bounded by South Dakota to the southern end of Big Stone lake, above which point this lake, Lake Traverse and the Bois des Sioux and the Red River of the North form its limit and separate it from North Dakota. Its shape is irregular, the mean length being 348 and the breadth 244 miles.

Minnesota is, in area, the tenth state of the Union. It contains 84,287 square miles, or about 53,943,379 acres, of which 3,608,012 acres are water. In altitude it appears to be one of the highest portions of the continent, as the headwaters of three great river systems are found in its limits, those of streams flowing northward to Hudson Bay, eastward to the Atlantic ocean, and southward to the Gulf of Mexico.

About half of this surface, on the south and west, consists of rolling prairie, interspersed with frequent groves, oak openings and belts of hard-wood timber, watered by numberless lakes and streams, and covered with a warm, dark soil of great fertility. The rest, embracing the elevated district immediately west and north of Lake Superior, consists mainly of rich mineral ranges and of the pine forests which clothe the headwaters of the Mississippi, affording very extensive supplies of lumber. There is but a very small percentage of broken, rocky or worthless land in the state. Nearly all is arable.

Surveys with leveling from the sea show that the shore of Lake Superior is the lowest land in the state, 602 feet above sea level. The waters of the northeastern part of the state south of the Mesabi iron range flow into Lake Superior, and are carried to the Atlantic ocean. The Mississippi river, having its chief source in Lake Itasca, at 1,466 feet elevation, runs in a southerly direction, leaving the state at 620 feet above sea level.

Minnesota

(1910) POLK'S MEDICAL REGISTER

Minnesota

The Red River of the North, rising in the north, near Itasca Lake, at a height of 1,600 feet above the ocean, after a circuitous route south and west to Breckenridge, in Wilkin county, and then flowing north along its great valley, leaves the state at an elevation of 750 feet. The average elevation of the state is given at about 1,275 feet. The highest elevation is the Misquah hills, in Cook county, 2,230 feet.

The elevation of Minnesota above the sea, its fine drainage, and the dryness of the atmosphere, gives it a climate of unusual salubrity and pleasantness. It has an annual mean temperature of 44 degrees, while its mean summer temperature is 70 degrees, the same as that of Middle Illinois and Ohio, Southern Pennsylvania, etc. The excessive heats of summer often felt in other states are here tempered by the cooling breezes. Its high latitude gives its correspondingly longer days in summer than states further south, and during the growing season there are two and one-half hours more sunshine than in the latitude of Cincinnati. This, taken in connection with the abundant rainfall of early summer, accounts for the rapid and vigorous growth of crops in Minnesota, and their early maturity. The cool breezes and cool nights in summer prevent the debilitating effects of heat on the system often felt in low latitudes. The winter climate is one of the attractive features of the state. Its uniformity, and prevailing freedom from thaws and excessive spells of cold, severe weather or heavy snow storms, and its dryness, together with the bright sunshine and electrical condition of the air, all tend to enhance the personal comfort of the resident, and make outdoor life and labor a pleasure.

Oak. Est'd 1909. Capacity, 10. Private.
Phys, A B Kirk.

Cloquet—Barclay Hospital, 312 Av
D. Est'd 1907. Capacity, 15. Pri-
vate. Phys, Alexander Barclay.

Cloquet—Cloquet Hospital, cor Avenue
D and Arch. Est'd 1902. Capacity, 25.
Private. Phys, W G Dolan and James
Fleming.

Crookston—Bethesda Hospital, 104 St
Paul. Est'd 1896. Capacity, 35. Pri-
vate. Phys, H Holte. In charge of
Lutheran Deaconess.

Crookston—St Vincent's Hospital, 420
W 5th. Est'd 1902. Capacity, 60. Pri-
vate. Open to the profession. Con-
ducted by Sisters of St Benedict.

Detroit—Detroit Hospital. Est'd 1905.
Capacity, 15. Private. Phys, L C Weeks.

Duluth—Bethel Home for Women, 430
6th av E. Est'd 1903. Capacity, 35.
Private. Supt, Jessie Mauck.

Duluth—Children's Home, 504 15th av
E. Inc 1885. Capacity, 100. Private.
Matron, Arna S McGregor.

Duluth—Deaconess Home (M E), 815
E 1st. Est'd 1908. Private. Supt, Mrs
M J Kreidler.

Duluth—Duluth Hospital, 301 N Cen-
tral av. Est'd 1905. Capacity, 20. Pri-
vate. Phys, David Graham.

Duluth—St James' Catholic Orphan
Home, cor 3d and 20th av w. Private.
Conducted by Sisters of St Joseph.

Duluth—St Louis County Poor Farm, 2 miles n of Court House. Public. Supt, C Melby.

Duluth—St Luke's Hospital, 901-903 E 1st. Est'd 1882. Capacity, 90. Open to the profession. Supt, Miss F E Smith.

Duluth—St Mary's Hospital, cor 3d and 5th av e. Est'd 1888. Capacity, 140. Private. Conducted by Sisters of St Benedict.

Duluth—Small Pox Hospital, Arlington rd. Est'd 1898. Public. In charge of City Health Commissioner.

Elgin—Elgin Hospital. Est'd 1894. Capacity, 6. Private. Phys, W T Adams.

Ely—Shipman Hospital, cor Chapman and 3d av. Est'd 1891. Capacity, 25. Private. Med staff.

Eveleth—Fabiola Hospital, Fayal rd. Est'd 1900. Capacity, 50. Private. Phys, W E Harwood.

Eveleth—More Hospital, cor Grant av and Hayes. Est'd 1895. Capacity, 40. Private. Phys, C W More.

Eyota—Eyota Hospital. Est'd 1900. Capacity, 10. Private. Phys, R C Dugan.

Faribault—Evangelical St Lucas Deaconess' Home and Hospital, cor Mott and Division. Private. Supt, Rev Wm Meyer.

Faribault—Hunter Hospital and Sanitarium, cor W North 4th and Western av. Private. Supt, Mrs Agnes Headline.

Faribault—Minnesota School for the Blind. Public. Supt, J J Dow.

Faribault—Minnesota School for the Deaf. Est'd 1863. Capacity, 300. State Phys, W H Robilliard, Supt J N Tate.

Faribault—Minnesota School for Feeble-Minded and Colony for Epileptics. Est'd 1879. Capacity, 1,100. Public. Supt, A C Rogers, M D.

Faribault—St Lucas Hospital. Fergus Falls—Fergus Falls State Hospital. Est'd 1887. Capacity, 1,600. Public. Supt, Geo O Welch, M D.

Fergus Falls—St Luke's Hospital, 715 Mill s. Est'd 1903. Capacity, 30. Private. Phys, O T Shering. Supt, Miss Margaret Chilley.

Fergus Falls—Wright (Geo B) Memorial Hospital, Bismarck av and Cascade. Est'd 1905. Capacity, 30. Med staff. Supt, Miss E H McLean.

Fosston—Fosston Hospital. Est'd 1898. Capacity, 20. Private.

Frazee—Frazee Hospital, cor Mill and Td. Est'd 1907. Capacity, 12. Private. Phys, E R Barton. Supt, Rose Rew.

Gaylord—Gaylord Hospital. Private. Phys, D N Jones.

Gladstone—Ramsey County Almshouse and Poor Farm. Public. Supt, A Moore.

Glencoe—McLeod County Hospital. Est'd 1907. Capacity, 10. Private. Phys, E E Barrett.

Gaylord—Gaylord Hospital. Est'd 1902. Capacity, 12. Private. Phys, D N Jones.

Grand Rapids—St Benedict's Hospital. Est'd 1897. Capacity, 75. Private. Open to the profession. In charge of Benedictine Sisters.

Hastings—Hastings State Asylum. Est'd 1900. Capacity, 425. State. Phys, A M Adsit. Supt, W J Yanz.

Heron Lake—Southwestern Minnesota Hospital. Est'd 1902. Capacity, 50. Private. Phys, Anton J Moe.

Hibbing—Adams Hospital, 426 Mahoning. Est'd 1902. Capacity, 15. Private. Phys, B S Adams.

Hibbing—Rood Hospital, 102 Center. Est'd 1896. Capacity, 30. Private. Phys, D C Rood.

Hopkins—Hennepin County Poor Farm, 1 mile south. Public. Supt, John O'Donnell.

Lake Park—Lake Park Orphans' Home. Public. Supt, J H Jahren.

Litchfield—Litchfield Hospital. Est'd 1907. Capacity, 7. Private. Supt, Miss Mary Gill.

Litchfield—Robertson Hospital, cor Sibley av and 3d st n. Est'd 1909. Capacity, 15. Private. Phys, A W Robertson. Supt, Mary E Pehle.

Little Falls—St Gabriel's Hospital. Est'd 1892. Capacity, 60. Private. Open to the profession. Conducted by the Franciscan Sisters.

MEDICAL PRACTICE ACT OF MINNESOTA.

Laws Regulating the Practice of Medicine and Surgery in the State of Minnesota. (Chapter 35, Revised Code of 1905, in effect March 1, 1906). Sections 2295-2300.

Section 2295. Board of Medical Examiners, Officers, Records: The State Board of Medical Examiners shall consist of nine qualified resident physicians, appointed by the Governor, each for the term of three years and until his successor qualifies. No member thereof shall serve for more than two successive terms, nor shall any instructor or person financially interested in a medical school be appointed thereto; and it shall at all times include three homeopathic physicians. Vacancies shall be filled by like appointment for the unexpired term. The board shall elect from among their number a president, a secretary and a treasurer, and shall adopt a seal. It shall hold examinations at the seat of government on the first Tuesday in January, April, June and October of each year, and at such other times as it shall deem best. The secretary shall keep a record of all its proceedings, including a register of all applicants for license, giving their ages, a description of their education in medicine, and the result of their examination. Said books and register shall be prima facie evidence of all of the matters therein recorded.

Sec. 2296. Examination and License: A person not already authorized to practice medicine in the state, and desiring so to do, shall apply to the secretary of the board of examination, and pay a fee of \$10 for the use of the board, which in no case shall be refunded. At a time appointed, or at the next regular examination, he shall prove that he has completed four entire sessions of twenty-six weeks each at a medical school recognized by the board, no two sessions having been held in one year, or, if such attendance was prior to the year 1899, three sessions shall suffice. He shall be examined in anatomy, chemistry, histology, obstetrics, pathology, physiology, preventive medicine, the diagnosis and treatment of medical and surgical diseases, and such other branches as the board shall deem advisable. After such examination the board, if seven members thereof consent, shall grant him a license to practice medicine. The examination shall be both scientific and practical, and shall thoroughly test the fitness of the candidate. All answers concerning the treatment peculiar to any school of medicine shall be examined, and their efficiency passed on, by the members of the board belonging to that school, and their recommendations thereon shall be final. The board may refuse to grant a license to, or may revoke the license of, any person guilty of immoral, dishonorable or unprofessional conduct, but subject to right of applicant to appeal to the Governor.

Sec. 2298. Record of Licenses—Report to Secretary: Before engaging in practice, the holder of a license shall file the same for record with the clerk of the District Court in the county where he resides. On removal to another county he shall there file his license in like manner before engaging in practice therein. Such clerk shall keep, in the record book of such license, an index thereof, showing the date and page of record, and in January of each year shall furnish to the secretary of the board a list of licenses so filed. On notice to the clerk of the death or removal of a license, or of the revocation of a license, he shall note the same on the record of such license.

Sec. 2299. Exemptions: This subdivision shall not apply to commissioned surgeons of the United States Army or Navy, to physicians from other states in actual consultation here, or to students practicing under the direct supervision of a preceptor while they are enrolled in and regularly attending a recognized medical school.

Sec. 2300. Practicing Without License—Penalty: Every person not heretofore authorized by law so to do who shall practice medicine in the state without having obtained the license herein provided for, and every person who shall so practice contrary to any provision of this subdivision, shall be guilty of a misdemeanor, the minimum punishment whereof shall be a fine of \$50 or imprisonment for ten days. Any person shall be regarded as practicing within the meaning of this subdivision who shall append the letters M. D., or M. B. to his name, or for a fee prescribe, direct and recommend for the use of any fracture or bodily injury, infirmity or disease; provided the section shall not apply to dentists.

MEDICAL RECIPROCITY ACT.

Chapter 236. Laws 1905.

An Act Authorizing Physicians From Other States to Practice Medicine in Minnesota. Be it enacted by the Legislature of the State of Minnesota:

Section 1. That the State Medical Examining Board, either with or without examination, may grant and license to any physician licensed to practice by a similar board of another state, and who holds a certificate of registration showing that an examination has been made by the proper board of any state on which an average grade of not less than 75 per cent was awarded the holder thereof, the said applicant and holder of such certificate having been at the time of said examination the legal possessor of a diploma from a medical college in good standing in this state, which said diploma may be accepted in lieu of an examination as evidence of qualification. In case the scope of said examination was less than that prescribed by this state the applicant may be required to submit to an examination in such subjects as have not been covered. The fee for such examination shall be \$50.

A certificate of registration or license issued by the proper board of any state may be accepted as evidence of qualification for registration in this state; provided, the holder thereof was at the time of such registration the legal possessor of a diploma issued by a medical college in good standing in this state, and that the date thereof was prior to the legal requirements of the examination test in this state.

Sec. 2. If by the laws of any state or the rulings or decisions of the appropriate officers or boards thereof, any burden, obligation, requirement, disqualification or disability is put upon physicians registered in this state or holding diplomas from medical colleges in this state which are in good standing therein affecting the right of said physicians to be registered or admitted to practice in said state, then the same or like burdens, obligations, requirements, disqualifications or disability shall be put upon the registration in this state of physicians registered in said state or holding diplomas from medical colleges situated therein.

Sec. 3. All acts and parts of acts inconsistent with this act are hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its passage.

Approved April 18, 1905.

CHAPTER 474—H. F. No. 969.

AN ACT to amend section 2296, chapter 35. Revised Laws of Minnesota for the year 1905, relating to the examination and license of physicians and surgeons. Be it enacted by the Legislature of the State of Minnesota:

Section 1. That section 2296, chapter 35, Revised Laws of Minnesota for the year 1905, be and the same is hereby amended so as to read as follows

2296. Examination and License.—A person not already authorized to practice medicine in the state and desiring so to do shall apply to the secretary of the board for examination and pay a fee of ten dollars for the use of the board, which in no case shall be refunded.

At a time appointed or at the next regular examination he shall prove that he

has completed four entire sessions of twenty-six weeks each at a medical school recognized by the board, no two sessions having been held in one year; or, if such attendance was prior to the year 1899, three sessions shall suffice.

He shall be examined in anatomy, chemistry, histology, obstetrics, pathology, physiology, preventive medicine, the diagnosis and treatment of medical and surgical diseases and such other branches as the board shall deem advisable.

After such examination the board, if seven members thereof consent, shall grant him a license to practice medicine.

The examination shall be both scientific and practical, and shall thoroughly test the fitness of the candidate. All answers concerning the treatment peculiar to any school of medicine shall be examined and their sufficiency passed upon, by the members of the board belonging to that school, and their recommendations thereon shall be final.

The board may refuse to grant a license to, or may revoke the license of, any person, guilty of immoral, dishonorable or unprofessional conduct, but subject to the right of the applicant to appeal to the district court in the proper county on the question of law and fact.

Approved April 23, 1909.

MINNESOTA STATE BOARD OF MEDICAL EXAMINERS.

RULES.

First. An examination is required before a license is granted to practice medicine in Minnesota. The law requiring such procedure went into effect July 1st, 1887, and has been enforced since that date.

Second. Each applicant is required to make an affidavit setting forth his age, place of residence, preliminary education, time and place of each course of medical lectures, and date of graduation. The affidavit must be corroborated by the exhibition of his diploma or a certificate from the Dean of the Medical College showing that he has completed the prescribed number of courses and is a candidate for graduation. Graduates of medical colleges granting advanced standing for work done at other than medical colleges shall not be eligible to the examinations given by this Board.

Beginning June, 1912, all applicants for the examination for license to practice Medicine in this State, graduating in that or a subsequent year, must have satisfied all the entrance requirements, and completed the first two years' work of the College of Science, Literature and the Arts of the University of Minnesota, or present credits for a course elsewhere which is ruled by the said College of Science, Literature and the Arts, as equivalent thereto; provided that a medical student may be matriculated with a condition in not more than one full year subject or two half-year subjects; and provided further than the condition or conditions be made up before beginning the second annual medical course counted toward the medical degree.

Minnesota Medical Schools and Minnesota Medical Students shall not be discriminated against by the recognition of any medical school outside the State whose minimum preliminary requirements standard is less than that fixed for Minnesota.

Third. Each applicant, if he graduated after January 1st, 1899, or completed his final course of lectures after January 1st, 1899, must show proof that he has attended four full courses of lectures at a recognized medical college, no two courses being in the same year.

Fourth. Each applicant, if he graduated after July 1st, 1887, and prior to January 1st, 1899, or completed his final course of lectures during that period, must show proof that he has attended three full courses of lectures at a recognized medical college, no two courses being in the same year.

Fifth. Applicants who graduated at a recognized medical college prior to July 1st, 1887, must show proof of having attended two courses of lectures at a medical college.

Sixth. A fee of Ten Dollars must accompany the application. This fee is not returned in case of failure.

Seventh. Examinations are always in charge of some member of the Board of Examiners.

Eighth. Each candidate is known by his number, which is arranged as follows: Envelopes are numbered and each contains a blank bearing the corresponding number, on which the applicant writes his name and address. This completed blank is returned by the applicant to the envelope and the envelope sealed by him.

Ninth. Each candidate places on his answer papers the Number given him and also the Year of his graduation. No other marks of identification are allowed on the answer papers.

Tenth. The answer papers are collected and at once sent by express to the Member of the Board having charge of that subject. Such member examines the answer papers and marks each candidate by placing the marking opposite the candidate's number. These markings are sent to the Secretary, who tabulates them and presents the same to the Members of the Board at a meeting which is held shortly after each examination. When the markings are completed the envelopes containing the names are opened and these names are placed opposite the corresponding numbers.

Eleventh. No dishonest methods are tolerated, and any candidate who disregards this rule is debarred from further examination. This rule includes the giving of or obtaining aid.

Twelfth. Ten questions are given on each paper, and all subjects for examination are covered by the ten question papers given.

Thirteenth. The time allowed for each examination paper shall not exceed two hours.

Fourteenth. No candidate is allowed to leave the room after the question papers

have been distributed, until he has completed his answers and delivered the same to the member in charge.

Fifteenth. The examination is in writing and in the English language. If any candidate is unable to write in the English language, he will be allowed to write in his native language, provided he pays an extra fee of Fifteen Dollars, to cover the cost of translation.

Sixteenth. A general average of 75 per cent must be attained.

Seventeenth. Candidates who fail to receive a license at any examination must be re-examined in all branches.

Eighteenth. Handwriting of candidates must be legible and orthography must not be such as will disgrace the medical profession.

Nineteenth. Candidates from all schools shall answer in common all questions submitted except the questions on Materia Medica which are adapted to the school of practice accepted by the candidate. The answer papers upon subjects peculiar to any one school of medicine are sent to the members of this Board who are representatives of such school.

Twentieth. "Candidates shall submit to an examination in the following branches, to-wit: Anatomy, Physiology, Chemistry, Histology, Materia Medica, Therapeutics, Preventive Medicine, Practice of Medicine, Surgery, Obstetrics, Diseases of Women and Children, Diseases of the Nervous System, Diseases of the Eye and Ear, Medical Jurisprudence, and such other branches as the Board shall deem advisable. All applicants for license will be required to take a practical examination in Laboratory work in Pathology, Histology, Bacteriology and Urinalysis, and in clinical diagnosis, and Reciprocates when coming from Boards which do not require this examination must take it before this Board as a supplementary.

Twenty-first. Applicants must furnish a recent unmounted photograph of himself attested to before a notary public to accompany his application.

Twenty-second. All applications must be filed with the Secretary on or before the 1st of January, April, June and October for the examinations of those respective months.

RECIPROCITY.

Minnesota reciprocates with the following States under Qualification No. 1 or No. 2, as printed below:

	Qual. No. 1		Qual. No. 1
Alabama	" 1	Nevada	" 1
Arkansas	" 1	New Hampshire	" 1
Colorado	" 1	New Jersey	" 1
District of Columbia.....	" 1	North Carolina	" 1
Illinois	" 1	North Dakota	" 1
Indiana	" 2	Ohio	" 2
Iowa	" 2	Oklahoma	" 1
Kansas	" 2	South Carolina	" 1
Kentucky	" 2	Tennessee	" 1
Louisiana	" 1	Texas	" 1
Maine	" 2	Utah	" 2
Maryland	" 1	Virginia	" 1
Michigan	" 2	Wisconsin	" 2
Missouri	" 2	Wyoming	" 1
Nebraska	" 2		

QUALIFICATION NO. 1.

A certificate or registration showing that an examination has been made by the proper board of any state in which an average grade of not less than 75 per cent was awarded, the holder thereof having been at the time of said examination the legal possessor of a diploma from a medical college in good standing in the state where reciprocal registration is sought, may be accepted, in lieu of examination, as evidence of qualification. Provided, that in case the scope of the said examination was less than that prescribed by the state in which registration is sought, the applicant may be required to submit to a supplemental examination by the board thereof in such subjects as have not been covered.

QUALIFICATION NO. 2.

A certificate of registration, or license issued by the proper board of any state, may be accepted as evidence of qualification for reciprocal registration in any other state. Provided, the holder of such certificate had been engaged in the reputable practice of medicine in such state at least one year, and also provided that the holder thereof was, at the time of such registration, the legal possessor of a diploma issued by a medical college in good standing in the state in which reciprocal registration is sought, and that the date of such diploma was prior to the legal requirement of the examination test in such state.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; %, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ‡, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book, 'Advice to Stammerers' and reference sent on request. Address **The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS-1414 N. Illinois, Indianapolis, Ind.**

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

MISSISSIPPI.

CAPITAL, JACKSON.

Population of State, 1,708,272.

(U. S. Census Bureau, 1906.)

Number of Physicians, 1,884.

Mississippi was organized as a territory April 7, 1798, and admitted as a state December 10, 1817. The population of the state, according to the U. S. census of 1900, was 1,551,270, as against 1,289,600 in 1890, representing an increase during the decade of 261,670, or 20.3 per cent. The total land surface is, approximately, 46,340 square miles, the average number of persons in the square mile at the censuses of 1890 and 1900 being as follows: 1890, 27.8; 1900, 33.5. The state extends from 30 degrees 20 minutes to 35 degrees north latitude, and from 88 degrees 12 minutes to 91 degrees 40 minutes west longitude, and is bounded on the north by Tennessee, on the south by Louisiana and the Gulf of Mexico, on the east by Alabama, and on the west by Arkansas and Louisiana.

The climate is warm, the winters being short and mild, the summers long and hot. The mean annual temperature as observed at Vicksburg is 65.57 degrees, that of the summer 80.52 degrees, and of the winter 50.45 degrees. The average annual rainfall is about 54 inches, ranging from 48 inches in the northwest to 64 on the Gulf coast. The northeastern is the highest part of the state and forms an undulating tableland, which slopes gently down towards the west and south, and terminates with steep bluffs on the banks of the Mississippi and Yazoo rivers. In several places these bluffs approach close to the river; in others a broad belt of swampy bottom lands extends along their base. The northwest part of the state includes the largest of these swampy regions, which are extremely fertile. The state is well watered. The principal rivers are the Mississippi and its tributaries, the Yazoo, Big Black, Tallahatchie, Sunflower, Bayou Pierre, Yallahusha and Homochitto, and their tributaries, the Pearl, which empties into the Mississippi sound, the Pascagoula river, which is formed by the Leaf and Chickasawha rivers and empties into the Gulf, and the Tombigbee, which drains the northeastern portion. The Tennessee river touches the northeast corner of the state for about fifteen miles. The more elevated portions of the bottoms of the Yazoo and Mississippi are covered with red hickory, holly, spicewood, dogwood, sassafras, pecan, gum, walnut, and hackberry, while the lower and swampy portions contain cypress, water oak, privet, box elder and swamp ash. The soil is, on the whole, very productive, being a dark heavy loam, impregnated with lime and yielding heavy crops. Cotton is the staple product, the state ranking second in the country as a cotton-producing

state. The cereals, tobacco, indigo, sugar, rice, sweet potatoes, strawberries, melons, vegetables and numerous tropical fruit are raised in abundance. Live stock raising is an important industry. Tar, resin, turpentine, lumber and jute are exported. Education is amply provided for, and the religious, social and philanthropic institutions are in keeping with the wealth and population of the state.

For list of Medical Colleges, see page 152.

STATE BOARD OF HEALTH.

THE LAW REGULATING THE PRACTICE OF MEDICINE IN THE STATE OF MISSISSIPPI.

Chapter 110, Annotated Code, 1906.

3681 (3243). Duty to Obtain License.—Every person who desires to practice medicine must first obtain a license to do so from the State Board of Health; but this section shall not apply to physicians now holding permanent license, the same having been recorded as required by law. (For penalty, see section 1334: If any person shall practice as a physician or surgeon, without having first been examined and obtained a license as required by law, he shall, on conviction, be fined not less

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

than twenty dollars nor more than two hundred dollars, or be imprisoned in the county jail not exceeding thirty days.)

3682 (3244). **How License Obtained.**—Every person who desires to obtain a license to practice medicine must apply therefor, in writing, to the State Board of Health, and must be examined by said Board touching his learning in the following branches of medicine only, viz.: Anatomy, chemistry, obstetrics, materia medica, physiology, pathology, surgery, and hygiene; and, if the applicant be found by the Board, upon examination, to possess sufficient learning in said branches and be of good moral character, the Board shall at once issue to him a license to practice medicine, which shall be signed by each member who approves of its issuance.

3683 (3245). **Application for License; What to Contain.**—The application for license must state: (1) The applicant's name in full; (2) his place of residence and post-office address; (3) his nativity and age; (4) the time spent by him in medical studies; (5) the name and post-office address of the preceptor under whom medical studies were pursued; (6) courses of medical lectures attended; (7) name of medical school attended; (8) if a graduate of a medical college, name thereof; (9) time spent in a hospital; (10) time spent in the practice of medicine, if any; (11) school or system of practice chosen, and (12) references as to his personal character.

3684 (3246). **Examinations; When, Where, and How Conducted** (Laws 1898, ch. 79).—The State Board of Health shall meet at the Capitol twice in each year, at such times as may be designated by the Board, for the purpose of examining applicants for license to practice medicine, and shall continue in session until all applicants are examined and the examinations approved or disapproved. All examinations as to applicant's learning shall be upon written questions and answers, and the distinctions shall not be made between applicants because of the different systems of schools of practice that may be chosen.

3685 (3247). **Fees for Examination.**—Every person who shall apply for license to practice medicine shall, before he will be entitled to be examined, pay a fee of ten dollars and twenty-five cents; of which ten dollars are to be divided equally between those members of the Board who attend and conduct the examination of the applicant, and twenty-five cents to be paid to the Secretary of the Board for filing and preserving the application for license.

3686 (3248). **Form of license.**—A license to practice medicine may be of such form as the State Board of Health may prescribe; but it shall contain a statement showing the place of residence, post-office address, and qualification of the applicant, both as to learning and moral character.

3687 (3249). **License Must Be Recorded; Effect of Failure.**—Every person who receives a license to practice medicine must file it in the office of the clerk of the circuit court of the county in which he resides within sixty days from the date of its issuance; otherwise it shall become void. When the license is filed the clerk shall record the same, with his certificate of the filing thereto attached, in a suitable book to be kept in his office for that purpose, upon the payment by the licensee of the fee provided by law; and, when recorded, he shall deliver the original, on demand, to the licensee. Whenever the licensee shall change the county of his residence and of usual practice, he must, under like penalty, file the original or a certified copy of the license, or of the record thereof, in the office of said clerk, in the county into which he shall move and practice, within sixty days of the time of such removal, to be there recorded in like manner and under like penalty.

3688 (3250). **Lost License May Be Supplied** (Laws 1898, ch. 76).—If a license to practice medicine be issued and be lost, or if the holder of a license fail to have the same recorded within sixty days as required by law, the State Board of Health may, in its discretion, issue a new license.

3689 (3251). **Temporary License.**—The Secretary of the State Board of Health may issue under his signature a temporary license to any one to practice medicine, which shall be valid until the next succeeding meeting of the Board for examining applicants; and such license shall show the date of its issuance, otherwise it shall be void. Only one temporary license shall ever be issued to the same person, and it shall always be made to an individual and not to a partnership. The Secretary shall be entitled to twenty-five cents for such license, and the same shall be recorded as a permanent license is required to be, under like penalty for failure.

"A physician who practices medicine in this state without a license cannot recover for professional services rendered a patient while so practicing, even though prior thereto he had had a temporary license and was prevented by sickness from obtaining a permanent one." *Bohn vs. Lowery*, 77 Miss., 424 (27 So., 604).

3690 (3253). **Females Practicing Midwifery.**—Females engaged in the practice of midwifery are not prohibited from such practice, but are entitled to engage therein without a license.

3691. **Practice of Medicine Defined** (Laws 1896, ch. 68).—The practice of medicine shall mean to suggest, recommend, prescribe, or direct for the use of any person, any drug, medicine, appliance or other agency, whether material, or not material, for the cure, relief, or palliation of any ailment or disease of the mind or body, or for the cure or relief of any wound or fracture or other bodily injury or deformity, or the practice of obstetrics or midwifery, after having received, or with the intent of receiving therefor, either directly or indirectly, any bonus, gift, profit or compensation; provided, that nothing in this section shall apply to females engaged solely in the practice of midwifery.

"A practitioner of osteopathy, who treats diseases only by manipulation of the patient's limbs, muscles, ligaments and bones, does not practice medicine within the meaning of this section." *Hayden vs. State*, 81 Miss. 291 (33 So., 653).

3692 (3254). **Non-residents.**—Licensed physicians who reside without this state and whose practice of medicine extends into it, may obtain license to practice medicine in this state without being examined as to their learning, by presenting a written application for license, in the form prescribed, to the State Board of Health; whereupon the Secretary of the Board shall issue to the applicant a license in the name of the Board, for which the Secretary shall be entitled to receive a fee of twenty-five cents, and the license shall be recorded as hereinbefore provided in each

county in which the licensee shall practice, with like penalty for a failure to record as in case of a resident physician. That non-resident physicians not holding license from the state shall not be permitted to practice medicine under any circumstances after remaining in the state five days, except when called in consultation by a licensed physician residing in this state, except as provided in section 3693.

3693. License from Another State Recognized.—The Board of Health may grant license to practice medicine without examination as to learning to graduates in medicine who hold to practice medicine from another State, provided the requirements in such State are equal to those required by the State Board of Health of this State.

3694 (3255). Books, Blanks and Stationery.—The Board of Public Contracts shall furnish to the State Board of Health such books, blanks, and stationery as may be needed by it in carrying out the provisions of this chapter; and, at the request of the State Board of Health, shall deliver to the Secretary of State such record-books as the clerks of the circuit court may need, in which to record licenses to practice medicine, to be by him promptly and safely transmitted at the cost of the state to such of said clerks as the Board of Health may designate.

3695. Communications Privileged.—All communications made to a physician or surgeon by a patient under his charge or by one seeking professional advice, are hereby declared to be privileged, and such physician or surgeon shall not be required to disclose the same in any legal proceeding, except at the instance of the patient.

3696. Osteopaths.—Any person desiring to practice osteopathy in this state must first obtain a license from the State Board of Health by passing a satisfactory examination on anatomy, physiology, and hygiene only; provided, that graduates of a reputable college of osteopathy now engaged in that practice in this state shall not be examined as to learning, but they shall make satisfactory proof of such graduation and of good character, and pay a fee of twenty-five cents. License to practice osteopathy must be recorded as required by law for license to practice medicine, with like penalty on failure to so record.

NOTE.—Examinations for applicants for license to practice medicine in this state will be held at the Capitol on the second Tuesday in the months of May and October in each year; two days being required for the examination.

S. H. McLEAN, M. D., Secretary.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

THE RALPH SANITARIUM

A quiet, well equipped and well handled Home Sanitarium for the treatment of **DRUG** and **LIQUOR** habits. Personal study and attention given each case. A new and very successful treatment, removing the desire and necessity for the Drug or Liquor within a few days, and restoring the patient to normal condition in a few weeks' time. Good nursing, every comfort, scientific treatment, no suffering and A CURE. Special rates to physicians. For literature and full details of treatment address **THE RALPH SANITARIUM, 529 Highland Ave., Kansas City, Mo.**

C

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

ST. LOUIS BAPTIST HOSPITAL

N. E. CORNER GARRISON AND FRANKLIN AVES.,

St. Louis, Mo.

Building roomy, home-like and free from institutional features. A modern surgical addition of forty rooms was added in 1909, which contains two operating rooms with sterilizing room between. Patients' rooms are arranged so they may be used singly or en suite; each suite has a private bath and telephone.

A leading feature of this institution is the sanitary furnishing for patients' rooms; all furniture being white enameled steel.

Physicians sending cases for treatment may feel assured of every possible care and attention.

For further information, address the Superintendent.

C. C. MORRIS, A. M., M. D., Chief Surgeon.

MISSOURI.

CAPITAL, JEFFERSON CITY.

Population of State, 3,363, 153.

(U. S. Census Bureau, 1906.)

Number of Physicians, 6,248.

Missouri is part of the territory that was ceded to the United States under treaty dated April 30, 1803, and was known as the Louisiana purchase, and by Act of Congress was organized as the Territory of Louisiana, October 31, 1803, which, on March 26, 1804, was divided into the Territory of Orleans, which embraced all the territory south of the 33rd degree, and the District of Louisiana, from the 33rd degree north. The District of Louisiana was changed into the territory of the same name, March 3, 1805. The Territory of Louisiana was changed into the Territory of Missouri by Act of Congress dated June 4, 1812. On August 10, 1821, the territory was admitted to the Union as a state with 24 counties. As now constituted, the state comprises 114 counties and the city of St. Louis.

It is bounded on the north by Iowa, on the south by Arkansas, on the east by the Mississippi river, which separates it from Illinois, Kentucky and Ten-

nessee, and on the west by Indian Territory, Kansas and Nebraska. This is one of the most diversified of western states as to soil, products, climate and surface and extends through four and one-half degrees of latitude. The elevation of the land varies from 287 feet in the southeast to 3,000 feet at Cassville. The Mississippi forms its eastern frontier and the Missouri borders it for a long way on the west. A line drawn from Hannibal to the southwestern corner of Missouri separates the prairie region of the north and west from the forest region on the east and south. North of the Missouri is a region of broken land with forests in the east and along the great rivers, and the rest is occupied by wide rolling prairies well watered and productive, and in effect a prolongation of the plains of Illinois and Iowa. Similar high grassy plateaus run west from the Ozark Mountains, and from the Mississippi to the Big Black. South of the Missouri the forests of the east are offset by these open prairies of the west, with large rivers, like the Osage and Gasconade, running northeast into the Missouri.

The Ozark Mountains run from the Missouri river east of the Osage, southwest into Arkansas and Kansas, chang-

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

ing from isolated hills and knobs to the high and arable tablelands of the west.

A large part of the state was originally, hickories and maples in the north, huge cypresses and sycamores, cottonwoods, and gum-trees in the south, with scattered forests of red cedars and pines, pecans and persimmons. Great quantities of hardwood lumber are cut every year. The south counties contain immeasurable forests of yellow pine and live oak.

The Osage river is a noble stream flowing from Kansas to the Missouri river, navigated by steamboats to Tusculumbia (60 miles) and sometimes as far as Warsaw (170 miles). It has a yearly commerce of \$600,000 in railway ties, rafts of oak and walnut logs, and steamboat freights, which has greatly increased.

The climate is full of extremes, being devoid of moderating sea-air or sheltering hill ranges. It is dry, owing to the rapid evaporation; and the sky is usually clear and bright. The least rain falls in April.

For list of Medical Colleges, see page 152.

MEDICAL LAWS OF MISSOURI.

House Bill No. 137, Forty-first General Assembly.

AN ACT to regulate the practice of medicine, surgery and midwifery, and to prohibit treating the sick and afflicted without a license, and to provide penalties for the violation thereof.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section 1. It shall be unlawful for any person not now a registered physician within the meaning of the law to practice medicine or surgery in any of its departments, or to profess to cure and attempt to treat the sick and others afflicted with bodily or mental infirmities, or engage in the practice of midwifery in the State of Missouri, except as hereinafter provided.

Sec. 2. The State Board of Health shall have general supervision over the registration of all practitioners of medicine, surgery and midwifery in this State.

Sec. 3. All persons desiring to practice medicine or surgery in this State, or to treat the sick or afflicted as provided in Section 1, of this act, shall appear before the State Board of Health at such time and place as the Board may direct, and shall there be examined as to their fitness to engage in such practice. All persons appearing for examination shall make application in writing to the Secretary of said Board thirty days before the meeting. They shall furnish satisfactory evidence of their preliminary qualifications, and shall also furnish evidence of good moral character. The medical examination may be made in whole or in part in writing, and shall be of elementary and practical character, but sufficiently strict to test the qualifications of the candidate as a practitioner, and shall embrace the subjects of anatomy, chemistry, physiology, pathology, therapeutics, obstetrics, gynecology, surgery, practice of medicine, medical jurisprudence and hygiene, and such other branches as the State Board may direct. The candidate shall be required to answer seventy-five per cent of such questions as are asked him before being granted a certificate: Provided, however, that the examination of any applicant in therapeutics shall be conducted by the member or members of said Board who represent the system of medicine of which such applicant has been a student. If there shall be no representative of the school or system of which the applicant has been a student, the examination in therapeutics shall be conducted by an examiner appointed for that purpose by the Governor of Missouri, but all examinations other than that in therapeutics shall be conducted as heretofore provided in this act. The Board of Health shall issue to such persons as they shall find, upon examination, to possess the requisite qualifications, a license to practice medicine and surgery in accordance with the provisions of this act, and the State Board of Health shall not be permitted to favor any particular school or system of medicine, but all applicants shall be subjected to the same examination and the same degree of proficiency shall be required of all. The Board shall examine persons applying for a license, although such persons cannot speak the English language, the applicant in all such cases to pay the expense of an interpreter satisfactory to the Board.

Sec. 4. Every person holding a license from the State Board of Health shall have it recorded in the office of the county clerk of the county in which he resides, and the record shall be endorsed thereon. And the clerk is authorized to charge a fee of one dollar for recording each license, to be paid by the person offering such license for record. Any person removing to another county to practice medicine or surgery shall have his license recorded in the county which he removes to, and the holder of said license shall pay said clerk of said county the usual fee for making the record. The county clerk shall keep in a book provided for that purpose a complete list of the licenses recorded by him with the date of issue. Any person neglecting

Missouri

1059

for twenty days to record his license as in this section provided, after entering upon the practice, shall be guilty of a misdemeanor, and on conviction thereof shall be fined not less than ten dollars nor more than fifty dollars, and on failure to record said license for thirty days after such conviction, such person shall be liable to a fine of not less than one hundred dollars.

Sec. 5. Any person, except physicians now registered, practicing medicine or surgery in this State, and any person attempting to treat the sick or others afflicted with bodily or mental infirmities without first obtaining a license from the State Board of Health, as provided in this act, shall be deemed guilty of a misdemeanor and punished by a fine of not less than fifty dollars nor more than five hundred dollars, or by imprisonment in the county jail for a period of not less than thirty days nor more than one year, or by both such fine and imprisonment for each and every offense, and treating each patient shall be regarded as a separate offense. Any person filing, or attempting to file, as his own, a license of another or a forged affidavit of identification, shall be guilty of a felony, and, upon conviction thereof, shall be subject to such fine and imprisonment as are made and provided by statutes of this State for the crime of forgery in the second degree. Said fines to be turned into the State treasury when collected. Provided that physicians registered on or prior to March 12, 1901, shall be regarded for every purpose as licentiates and registered physicians under the provisions of this act.

Sec. 6. In order to provide the means to carry out and maintain the provisions of this act, the said Board shall charge each person applying to and appearing before it for examination for a license to practice medicine and surgery, a fee of fifteen dollars, and should such examination prove unsatisfactory and the State Board refuse to issue a license thereon, the applicant failing to pass such examination may return at any meeting within the next twelve months thereafter and be examined without extra charge, but no temporary license shall be issued to such person. All fees so received from applicants for license shall be paid into the State treasury and shall be held by the State Treasurer as a separate fund to be disbursed only in payment of expenses of maintaining said Board of Health, and said fund is hereby appropriated for said purpose, and no other money shall be paid out of the State treasury for the provisions of this act. The State Auditor shall issue his warrant on the State Treasurer for payment out of said fund on the certificate of the President and Secretary of the State Board of Health.

Sec. 7. The Board may refuse license to individuals guilty of unprofessional or dishonorable conduct, and they may revoke licenses for like causes, after giving the accused an opportunity to be heard in defense before the Board. Habitual drunkenness or excessive use of narcotics or producing criminal abortion shall be deemed unprofessional and dishonorable conduct within the meaning of this section, but this specification is not intended to exclude all other acts for which licenses may be revoked.

Sec. 8. Whenever in this act is provided that any duty or service shall be performed by any county clerk, such duty or service in the city of St. Louis shall be performed by the Health Commissioner, as if said officer was specially named to perform these duties and services, and said officer shall receive the same compensation therefor as this act provides shall be paid to the county clerk: Provided, further, that whenever in this act the word county is used it shall include the city of St. Louis the same as if said city were specially named.

Sec. 9. It is not intended by this act to prohibit gratuitous service to and treatment of the afflicted, and this act shall not apply to commissioned surgeons of the United States Army, Navy and Marine Hospital Service.

Sec. 10. It shall be unlawful for any person to practice midwifery in this State before receiving a license to do so. Every person desiring to practice midwifery as a profession shall make application to the State Board of Health for examination, and pay a fee of five dollars. And upon passing an examination satisfactory to said Board upon the subject of obstetrics, shall receive a license to practice as above provided. It shall be unlawful for any person licensed as a midwife only, to engage in any other branch of medical practice or to advertise herself as a doctor, doctress or physician, or to use any letters before or after her name on a sign or otherwise, indicating that she is authorized to, or does, engage in any other branch of medical practice. And any person practicing midwifery as a profession or advertising herself as a midwife, without first obtaining the license aforesaid, and any licensed midwife who shall do any acts in this section prohibited, shall be deemed guilty of a misdemeanor, and, upon conviction, shall be punished by a fine of not less than ten dollars nor more than fifty dollars, or by imprisonment in the county jail not more than two months nor less than ten days. Acting in each case shall be deemed a separate offense. Nothing in this section shall be so construed as to require women practicing midwifery to obtain a license when said women do not practice midwifery as a profession, and do not make any charge for their services.

Sec. 11. Article 1, of Chapter 128, Revised Statutes of Missouri, 1899, is hereby repealed, and this act enacted in lieu thereof, and nothing in this act shall be so construed as to repeal any other existing article or law.

Approved March 12, 1901.

AMENDED ACT OF 1903.

"Sec. 9. It is not intended by this act to prohibit gratuitous service to and treatment of afflicted, and this act shall not apply to commissioned surgeons of the United States Army, Navy and Marine Hospital Service, nor to any student who has matriculated in a medical college on or prior to March 12, 1901; and it shall be the duty of said Board of Health on receiving a fee of fifteen dollars from said student to issue to him a license to practice medicine when said student presents a diploma from any medical college of this State."

Approved March 21, 1903.

AMENDMENTS TO CHAPTER III, ARTICLE 1, OF THE REVISED STATUTES OF 1899—LOCAL BOARD OF HEALTH.

Sec. 7529a. Be it enacted by the General Assembly of the State of Missouri, as follows:

Sec. 3. All persons desiring to practice medicine or surgery in this State, or to treat the sick or afflicted as provided in section 1 of this act, shall appear before the State Board of Health at such time and place as the Board may direct, and shall be examined as to their fitness to engage in such practice. All persons appearing for examination shall make application in writing to the Secretary of said Board thirty days before the meeting. They shall furnish satisfactory evidence of their preliminary qualifications, and furnish satisfactory evidence of having received a diploma from some reputable medical college of four years' requirements at the time of graduation, and shall also furnish evidence of good moral character. The medical examination may be made in whole or in part in writing, and shall be of elementary and practical character, but sufficiently strict to test the qualifications of the candidate as a practitioner, and shall embrace the subjects of anatomy, chemistry, physiology, pathology, therapeutics, obstetrics, gynecology, surgery, practice of medicine, medical jurisprudence and hygiene, and such other branches as the State Board may direct. The candidate shall be required to answer seventy-five per cent of such questions as are asked him before being granted a certificate: Provided, however, that the examination of any applicant in therapeutics shall be conducted by the member or members of said Board who represent the system of medicine of which the applicant has been a student, the examination in therapeutics shall be conducted by an examiner appointed for that purpose by the Governor of Missouri, but all examinations other than that in therapeutics shall be conducted as hereinbefore provided in this act. The Board of Health shall issue to such persons as they shall find upon examination to possess the requisite qualifications a license to practice medicine and surgery in accordance with the provisions of this act, and the State Board of Health shall not be permitted to favor any particular school or system of medicine, but all applicants shall be subjected to the same examinations and the same degree of proficiency shall be required of all. The Board shall examine persons applying for a license, although such persons cannot speak the English language, the applicant in all cases to pay the expenses of an interpreter satisfactory to the Board. And it is further provided that the said State Board of Health may at their discretion admit without examination legally qualified practitioners of medicine who hold certificates to practice medicine in any State or Territory in the United States, or the District of Columbia, with equal requirements to the State of Missouri, and that extend like privileges to legally qualified practitioners from this State, upon the applicant paying a fee of twenty-five dollars.

RECIPROCITY RULES.

Qualification No. 1. That a certificate of registration showing that an examination has been made by the proper Board of any State, on which an average grade of not less than seventy-five per cent was awarded, the holder thereof having been, at the time of said examination, the legal possessor of a diploma from a medical college in good standing in the State where reciprocal registration is sought, may be accepted in lieu of examination, as evidence of qualification: Provided, that in case the scope of said examination was less than that prescribed by the State in which registration by the Board thereof in such subjects as have not been covered.

Qualification No. 2. That a certificate of registration or license, issued by the proper Board of any State, may be accepted as evidence of qualification for reciprocal registration in any other State: Provided, the holder of such certificate had been engaged in the reputable practice of medicine in such State at least one year: Provided, also, that the holder thereof was, at the time of such registration, the legal possessor of a diploma issued by a medical college of four years' requirements, in good standing in the State in which reciprocal registration is sought, and that the date of such diploma was prior to the legal requirements of the examination test in such State.

The Board reserves the right to make such changes as it may deem wise and just, under the provisions of the law.

Qualification No. 3. As evidence of moral and professional character after graduation and licensure, each applicant shall present from his former home, to the State Board in which registration is sought, satisfactory evidence that he has been, for at least one year, a member in good standing of the county, district or state medical organization of the school or system of practice to which he belongs, and a certificate of recommendation issued to him by vote at a regular meeting of the society of which he is a member, that he is worthy of the benefits of registration anywhere, and such certificate shall be treated as a part of such application and considered in connection with the other evidence presented.

Note: No application will be considered unless the diploma, certificate and fee accompany it. They should be sent by express, prepaid to the Secretary of State Board of Health, Warrensburg, Missouri. The fee is \$25.

Every blank must be carefully filled and the affidavit should be made before a notary or other officer who has power to affix his seal. Physicians not in good standing in their respective county and state societies, and whose professional records are not above reproach, or who advertise need not apply.

Missouri reciprocates with the following named States: California, Maine, Minnesota and Wyoming, Qualification No. 1; Illinois, Iowa, Kentucky, Michigan, Nevada, Washington and West Virginia, Qualification No. 2.

DR. BURNETT'S PRIVATE SANITARIUM

(INCORPORATED)

AN ARISTOCRATIC HOME FOR MENTAL AND
NERVOUS DISEASES, DRUG AND ALCOHOL HABITS

Separate apartments for each; 52 rooms; 13,000 square feet polished floors;
6 complete baths; Electric Light Baths on each floor; modern.

Scientific Equipments and Home Comforts without Hospital atmosphere.

DR. BURNETT'S

Preferred Method of Morphine Treatment; by this method no patient need know when the drug is discontinued and there will be no suffering if the patient obeys instructions. Inebriety with an underlying insanity is incurable; uncomplicated addictions are curable by treating the patient instead of the habit. Any ignoramus can take away the drug, but short cuts do not cure.

Nervous, Mental and Inebriated cases are assigned to apartments by themselves and cannot annoy each other. Male and female apartments have no communication, male and female nurses respectfully assigned. Ethical Physicians are invited to visit the home.
